Shakespeare Glyn Parry, Cathryn Enis, 2020-08-07 Before William Shakespeare wrote world famous plays on the themes of power and political turmoil the Shakespeare family of Stratford upon Avon and their neighbors and friends were plagued by false accusations and feuds with the government conflicts that shaped Shakespeare's sceptical understanding of the realities of power This ground breaking study of the world of the young William Shakespeare in Stratford and Warwickshire discusses many recent archival discoveries to consider three linked families the Shakespeares the Dudleys and the Ardens and their battles over regional power and government corruption Robert Dudley earl of Leicester and Ambrose Dudley earl of Warwick used politics the law history and lineage to establish their authority in Warwickshire and Stratford challenging political and social structures and collective memory in the region The resistance of Edward Arden often claimed as kin to Mary Arden Shakespeare's mother and his friends and family culminated in his execution on false treason charges in 1583 By then the Shakespeare family also had direct experience with the London government's power in 1569 Exchequer informers backed by influential politicians at Court accused John Shakespeare William's father of illegal wool dealing and usury Despite previous claims that John had resolved these charges by 1572 the book's new sources show the Exchequer's continuing demands forced his withdrawal from Stratford politics by 1577 and undermined his business career in the early 1580s when young William first gained an understanding of his father's troubles At the same time Edward Arden's condemnation by the Elizabethan regime proved problematic for the Shakespeares friends and neighbours the Quineys who were accused of maintaining financial connections to the traitorous Ardens though Stratford people were convinced of their innocence This complicated community directly impacted Shakespeare's own perspective on local and national politics and social structures connecting his early experiences in Stratford and Warwickshire with many of the themes later found in his plays

Shakespeare: An Ungentle Life Katherine Duncan-Jones, 2014-09-26 A deeply considered and stimulating book informed throughout by the author's intimate knowledge of the literature and society of Shakespeare's age Stanley Wells TLS It is

unquestionably the best Shakespearean biography of the new century Jonathan Bate Sunday Telegraph This major biography of Shakespeare was first published in 2001 to great critical acclaim It remains highly regarded and much cited by critics and scholars Its author Katherine Duncan Jones was an advisor to William Boyd for his film about Shakespeare s life *A Waste of Shame* The book shows Shakespeare as a man among men and a writer among writers He lives in a congested city where he encounters disease debt and cut throat competition His brilliance often makes him the object of envy and malice rather than adulation He is a shrewd purchaser of property and shows no inclination to divert any of his wealth to charitable or altruistic ends He appears to be more interested in relationships with well born young men than with women Duncan Jones takes us through the complexities of life in late Elizabethan and early Jacobean England in a compelling well told story For this paperback reissue the author has written a new Preface detailing some of the recent debates about Shakespeare s biography and identity

The Quest for Shakespeare Joseph Pearce, 2008-01-01 Looks at the life of Shakespeare and proposes that the man was a believing Catholic and that his status as such in anti Catholic times informed all of his works

Shakespeare and the Ethics of Appropriation Alexa Huang, Elizabeth Rivlin, 2014-10-23 Making an important new contribution to rapidly expanding fields of study surrounding the adaptation and appropriation of Shakespeare Shakespeare and the Ethics of Appropriation is the first book to address the intersection of ethics aesthetics authority and authenticity

Adaptation and Beyond Eva C. Karpinski, Ewa Kęłowska-Ławniczak, 2023-09-29 This interdisciplinary collection focuses on recent adaptations both experimental and popular that put hybridity transtextuality and transmediality at play It reframes adaptation in terms of the transmedia concept of world building which accurately captures the complexity and multidirectionality of contemporary scattered and ubiquitous practices of adaptation The editors argue that the process of moving stories or their elements across different media platforms and repurposing them for new uses results in the production of hybrid transtextualities The book demonstrates how hybrid textualities augment narrative and literary forms as goals of their world building finding unexpected sites of cross pollination expansion and appropriation in spoken word and dance performance auto biographical comics advertising Chinese Kun opera and popular song lyrics This yoking of hybridity and transmediality yields not only diversified and often commercialized aesthetic forms but also enables the emergence a unique cultural space in between a mezzaterra capable of addressing current political issues and mobilizing broader audiences
