The Calls of Islam Emilio Spadola, 2013-12-25 A theoretically sophisticated reading of the mediation of social and spiritual relationships in Fez Gregory Starrett University of North Carolina at Charlotte The sacred calls that summon believers are the focus of this study of religion and power in Fez Morocco Focusing on how dissemination of the call through mass media has transformed understandings of piety and authority Emilio Spadola details the new importance of once marginal Sufi practices such as spirit trance and exorcism for ordinary believers the state and Islamist movements The Calls of Islam offers new ethnographic perspectives on ritual performance and media in the Muslim world A superb demonstration of anthropological analysis at its best A major contribution to our understanding of the complicated nexus of religion nationalism and technology Charles Hirschkind author of The Feeling of History An instructive contribution to the literature on Morocco s socio cultural and political idiosyncrasies Review of Middle East Studies Spadola s dense but short study manages admirably well to deal with a complex topic skillfully balancing ethnographic and analytic elements American Ethnologist The tension between social classes is subtly drawn out throughout this exemplary book and Spadola also does a magnificent job tying local national and transnational contexts together Although writing about a very specific place and time he manages to capture post millennial anxieties about Islam and belonging that are far reaching in their scope Contemporary Islam Spadola s book is theoretically sophisticated skillfully constructed and rich in detail Journal of Religion

Extremist Shiites Matti Moosa, 1988-02-01 Little is known in the West about the division of the Islamic world into Shiites and Sunnites and even less about the stratification of these two groups with most of the attention going to the Sunnites Moosa s comprehensive study of the origins and cultural aspects of the different extremist or Ghulat Shiite sects in the Middle East is a ground breaking work These sects whose extremism is essentially religious are generally a peaceful people and except for the Nusayris of Syria are not political activists
