Short Stories in French Richard Coward, 1999-09-30 This is an all new version of the popular PARALLEL TEXT series containing eight pieces of contemporary fiction in the original French and in English translation Including stories by Bolanger Cotnoir Le Clezio and Germain this volume gives a fascinating insight into French culture and literature as well as providing an invaluable educational tool **Parallel Text: French Short Stories** Various Authors, 1992-07-30 These eight stories by leading 20th century French writers offer fascinating insights into French life and literature and are accompanied by a parallel English text making them valuable for both French and English language students Among the diverse and entertaining stories in the collection are the wistful masterpiece Green Tobacco by Clair Sainte Soline the exuberant tale of The Ants by the post war king of caf society Boris Vian and a suspense in the nineteenth century erotic tradition from Andre de Mandiargues **Short Stories in Japanese** Michael Emmerich, 2011-05-31 A dual language edition of Japanese stories many appearing in English for the first time This volume of eight short stories with parallel translations offers students at all levels the opportunity to enjoy a wide range of contemporary literature without having constantly to refer back to a dictionary The stories many of which appear here in English for the first time are by well known writers like Haruki Murakami and Banana Yoshimoto as well as emerging voices like Abe Kazushige Ishii Shinji and Kawakami Hiromi From the orthodox to the cutting edge they represent a range of styles and themes showcasing the diversity of Japanese fiction over the past few decades in a collection that is equally rewarding for beginning intermediate and advanced students of English or Japanese Complete with notes the stories make excellent reading in either language **French short stories** Simon Lee, 1966

Meaning in Context Jonathan Webster, 2008-06-21 Meaning in Context brings together some of the biggest names in Systemic Functional Linguistics to explore the construction of meaning in language **A Systemic Functional Grammar of French** Alice Caffarel-Cayron, 2006-06-27 The consistent interplay between theoretical and applied pursuits has always been a defining feature of systemic functional theory This kind of mutual enrichment is clearly demonstrated in Alice Caffarel's work The result is a description which penetrates to the heart of the language revealing it at one and the same time as a specimen of the human semiotic and a unique resource for the continuous creation of meaning Professor M A K Halliday from the Preface **Reconnecting Language** A. M. Simon-Vandenberg, Kristin Davidse, Dirk Noel, 1997-01-01 Although the contributors to this book do not belong to one particular school of linguistic theory they all share an interest in the external functions of language in society and in the relationship between these functions and internal linguistic phenomena In this sense they all take a functional approach to grammatical issues Apart from this common starting point the contributions share the aim of demonstrating the non autonomous nature of morphology and syntax and the inadequacy of linguistic models which deal with syntax morphology and lexicon in separate independent components The recurrent theme throughout the book is the inseparability of lexis and morphosyntax of structure and function of grammar and society The third and more

specific common thread is case which in some contributions is adduced to illustrate the more general point of the link between word form on the one hand and clausal and textual relations on the other hand while in other papers it is at the centre of the discussion The interest of the proposed volume consists in the fact that it brings together the views of leading scholars in functional linguistics of various denominations on the place of morphosyntax in linguistic theory The book provides convincing argumentation against a modular theory with autonomous levels the dominant framework in mainstream 20th century linguistics and is a plea for further research into the connections between the lexicogrammar and the linguistic and extralinguistic context

Language Typology Alice Caffarel, J. R. Martin, Christian M. I. M. Matthiessen, 2004 This book is intended as a systemic functional contribution to language typology both for those who would like to understand and describe particular languages against the background of generalizations about a wide range of languages and also for those who would like to develop typological accounts that are based on and embody descriptions of the systems of particular languages rather than isolated constructions The book is a unique contribution in at least two respects On the one hand it is the first book based on systemic functional theory that is specifically concerned with language typology On the other hand the book combines the particular with the general in the description of languages it presents comparable sketches of particular languages while at the same time identifying generalizations based on the languages described here as well as on other languages The volume explores eight languages covering seven language families French German Pitjantjatjara Tagalog Telugu Vietnamese Chinese and Japanese

Paris Tales , 2004 If you've never been to Paris here is your chance to experience it if you have been there here is your chance to return *Paris Tales* is a highly evocative collection of stories by French and Francophone writers who have been inspired by the mystery and charm of different locations in this most visited of capital cities The twenty two stories by well known writers including Nerval Maupassant Colette and Echenoz provide a captivating glimpse into Parisian life from the mid nineteenth century to the present day The stories take us on an atmospheric tour of the arrondissements and quartiers of Paris charting the changing nature of the city and its inhabitants Viewed through the eyes of characters such as the provincial lawyer's wife seeking excitement a runaway schoolboy sleeping rough and a lottery winning policeman the collection presents a stage for the intimacies and insights of these distinctly Parisian people From the artists haunts of Montmartre to the glamorous cafés of Saint Germain from the shouts of demonstrators on Boul Mich to the tranquillity of Parc Monceau *Paris Tales* offers a fascinating literary panorama of Paris Illustrated with maps and striking photographs the book will appeal to all those who wish to uncover the true heart of this seductive city Translated by well known linguist Helen Constantine *Paris Tales* is the first title in a series of literary tours of key capital cities Rich in atmosphere this literary tour will enchant both tourists and armchair travelers alike

Paris Street Tales , 2016-08-17 *Paris Street Tales* is the third volume of a trilogy of translated stories set in Paris The previous two are *Paris Tales* in which each story is associated with one of the twenty arrondissements

and Paris Metro Tales in which the twenty two stories are related to a trip round the Paris Metro This new volume contains eighteen newly translated stories related to particular streets in Paris and one newly written tale of the city The stories range from the nineteenth century to the present day and include tales by well known writers such as Colette Maupassant Didier Daeninckx and Simenon and less familiar names such as Francis Carco Aur lie Filipetti and Arnaud Baignot They present a vivid picture of Paris streets in a variety of literary styles and tones Simenon s Maigret is called upon to solve a mystery on the Boulevard Beaumarchais a fl neur learns some French history through second hand objects retrieved from the Seine a nineteenth century affair in the Rue de Miromesnil goes badly wrong a body is discovered on the steps of the smallest street in Paris Through these stories we see how the city has changed over the last two centuries and what has survived All the tales in the book are translated apart from the last a new story by David Constantine based on the last days of the poet G rard de Nerval

Literary Fiction Geir Farner,2014-01-30 Insofar as literary theory has addressed the issue of literature as a means of communication and the function of literary fiction opinions have been sharply divided indicating that the elementary foundations of literary theory and criticism still need clarifying Many of the classical problems that literary theory has been grappling with from Aristotle to our time are still waiting for a satisfactory solution Based on a new cognitive model of literature as communication Farner systematically explains how literary fiction works providing new solutions to a wide range of literary issues like intention function evaluation delimitation of the literary work as such fictionality suspense and the roles of author and narrator along with such narratological problems as voice point of view and duration Covering a wide range of literary issues central to literary theory offering new theories while also summarising the field as it stands Literary Fiction will be a valuable guide and resource for students and scholars of the theory of literature

Paris Metro Tales

Helen Constantine,2011-03-24 Following on from Helen Constantine s hugely successful Paris Tales the twenty two short stories included in More Metro Tales take the reader on an fascinating journey around Paris by metro The journey begins at the Gare du Nord stops at twenty underground stations along the way and ends at Lamarck Caulaincourt Some of these stories actually take place in the metro itself but most are to be found when you emerge above ground They range from the 15th century account of the miraculous Saint Genevieve patron saint of Paris through tales by favourite writers such as Zola Simenon and Maupassant to Martine Delerm s evocation of the last hours of Modigliani s mistress Jeanne H buterne G rard de Nerval evokes the thriving bustling market in Les Halles in the 1850s Colette recounts her involvement in a traffic accident near the Op ra Boulanger describes a blackly funny experience in P re Lachaise Each story is illustrated with a black and white photograph and there is a map and suggested itinerary round the metro system Readers will find familiar and unfamiliar writers here but all are masterly writers of the short story and each evokes a different aspect of this endlessly intriguing and much loved city whether the traveller is on the metro or at home sitting in an armchair

Short Stories in Spanish John King,1999-09-30 This is an all new version of the popular PARALLEL TEXT series containing eight pieces of

contemporary fiction in the original Spanish and in English translation Including stories by Fuentes Molinas Marquez and Cortazar this volume gives a fascinating insight into Spanish and Latin American culture and literature as well as providing an invaluable educational tool

Short Stories in Russian Brian James Baer,2017-08-01 A dual language edition of Russian stories many appearing in English for the first time This new volume of ten short stories with parallel translations offers students at all levels the opportunity to enjoy a wide range of contemporary literature without constantly having to refer to a dictionary The stories many of which appear here in English for the first time are by well established writers like Vladimir Sorokin Ludmila Ulitskaya Sergey Lukyanenko and Ludmilla Petrushevskaya as well as emerging voices like Alexander Ilichevsky Evgeny Grishkovets and Julia Kissina Drawn from the last two decades of the Soviet Union and the two decades following its collapse they chart a period of dramatic social change often using metaphors of the body and represent a range of literary styles that highlight the dynamism of contemporary Russian fiction Complete with notes the stories make excellent reading in either language

The nouveau roman and Writing in Britain After Modernism Adam Guy,2019-12-10 The nouveau roman and Writing in Britain After Modernism recovers a neglected literary history In the late 1950s news began to arrive in Britain of a group of French writers who were remaking the form of the novel In the work of Michel Butor Marguerite Duras Robert Pinget Alain Robbe Grillet Nathalie Sarraute and Claude Simon the hallmarks of novelistic writing discernible characters psychological depth linear chronology were discarded in favour of other aesthetic horizons Transposed to Britain s highly polarized literary culture the nouveau roman became a focal point for debates about the novel For some the nouveau roman represented an aberration and a pernicious turn against the humanistic values that the novel embodied For others it provided a route out of the stultifying conventionality and conformism that had taken root in British letters On both sides one question persisted given the innovations of interwar modernism to what extent was the nouveau roman actually new This book begins by drawing on publishers archives and hitherto undocumented sources from a wide range of periodicals to show how the nouveau roman was mediated to the British public Of central importance here is the publisher Calder Boyars and its belief that the nouveau roman could be enjoyed by a mass public The book then moves onto literary responses in Britain to the nouveau roman focusing on questions of translation realism the end of empire and the writing of the project From the translations of Maria Jolas through to the hostile responses of the circle around C P Snow and onto the literary debts expressed in novels by Brian W Aldiss Christine Brooke Rose Eva Figs B S Johnson Alan Sheridan Muriel Spark and Denis Williams the nouveau roman is shown to be a central concern in the postwar British literary field

Becoming a Reading Teacher Jane Spiro,Amos Paran,2023-04-10 This book encourages readers to think about reading not only as an encounter with written language but as a lifelong habit of engagement with ideas We look at reading in four different ways as linguistic process personal experience collective experience and as classroom practice We think about how

reading influences a life how it changes over time how we might return at different stages of life to the same reading how we might respond differently to ideas read in an L1 and L2 There are 44 teaching activities all founded on research that explores the nature value and impact of reading as an authentic activity rather than for language or study purposes alone We consider what this means for schools and classrooms and for different kinds of learners The final part of the book provides practical stepping stones for the teacher to become a researcher of their own classes and learners The four parts of the book offer a virtuous join between reading teaching and researching It will be useful for any teacher or reader who wishes to refresh their view of how reading fits in to the development of language and the development of a reading life
