The Standard Prayer Book Simeon Singer, 2021-04-27 The Standard Prayer Book commonly known as Singer's Siddur is an English translation of the Hebrew siddur created by Rabbi Simeon Singer A siddur is a term for a Jewish prayer book containing a set order of daily prayers The word siddur comes from the Hebrew and means order Singer provides an authorized version of the liturgy capable of standardizing and stabilizing the synagogue service and helping to create an established Judaism The author's goal was to unite precision and literalness regarding English language and the simplicity of expression suiting the religious prayer Singer's Siddur has gone through many editions and is still used in many synagogues and homes

Praying the Bible Rabbi Mark H. Levin, 2016-09-09 The Jewish prayer book the siddur nourishes a vibrant interface connecting the praying person Jewish history and redemptive contemporary living Long description What is the mystery of the Jewish people How has Jewish spirituality triumphed over times of persecution as well as the enticements of assimilation Out of the depths of Jewish despair the rabbis of the first century and after developed a restorative prayer tradition that has invigorated the Jewish people for two thousand years in both flourishing environments like the Golden Age of Spain and times of persecution like the Nazi Holocaust Relying on biblical quotations hidden in each prayer they developed a poetic interaction squarely placing each praying person in God's redemptive history The problem is that most contemporary Jews are unaware of the power residing in their spiritual treasure chest Praying the Bible is the key to opening the treasure chest It explores and explains the prayers we read over and over again and gives those prayers new meaning It illuminates the Jewish prayer book as churning with the existential realities of human life and the struggles of the Jewish people It places the praying person in the living covenant with God showing how the prayer book can address individual life circumstances with reference to both parallel historical events and daily realities It provides insights that resonate equally with lay people eager to add depth and meaning to their prayer lives and rabbis looking for engaging sermon material

A Simple Siddur in English Anthony Sheehy, 2014-08-31 Siddur A Hebrew word that comes from the root

that means Order The daily cycle of prayer originates at the base of Mount Sinai with the establishment of the Tabernacle and worship as authorised by The LORD by the hand of Moses His servant It has continued throughout the generations of the Sons of Israel and continues to this day This prayer book provides a simplified explanation for the Jewish daily cycle of prayer More detailed explanations and sources for each of the prayers can be found in a traditional Siddur if you so desire them This volume does not seek to replicate that format Instead it intends to give the English reader an opportunity to join in that cycle of prayer in a language that he can understand The translation loses the rhythm and poetry of the Hebrew language but opens up the meaning and intent of the prayers

The Standard Prayer Book Simeon Singer, 2016 The siddur or Jewish prayer book presents the prayers to be recited at the various daily and Sabbath worship services in their proper order according to the tradition of the community that printed it

Siddur Hatefillah Eliezer Schweid, 2022-08-30 Hebrew University Professor Emeritus and Israel Prize recipient Eliezer Schweid 1929 2022 is widely regarded as one of the greatest historians of Jewish thought of our era In Siddur Hatefillah he probes the Jewish prayer book as a reflection of Judaism's unity and continuity as a unique spiritual entity and as the most popular most uttered and internalized text of the Jewish people Schweid explores texts which process religious philosophical teaching into the language of prayer and or express philosophical ideas in prayer's special language which the worshipper reflects upon in order to direct prayer and through which flows hoped for feedback With the addition of historical philological and literary contexts the study provides the reader with first time access to the comprehensive meaning of Jewish prayer filling a vacuum in both the experience and scholarship of Jewish worship

Siddur Sha'ar Zahav Sha'ar Zahav,2009-01-01 Congregation Sha ar Zahav s first siddur appeared in 1982 It was revised in 1994and again in 2000 The richness of this siddur like the Sha ar Zahav community is rooted in its integration of Jewish tradition with egalitarian feminist and LGBTQ positive ideas and language With this edition we have sought to continue and expand the Sha ar Zahav tradition of creating liturgy that reflects who we are The compilers of the 2000 edition wrote A Jewish prayer book which had nothing in common with the traditional siddur would lack the wealth of history which connects our worship with Jewish practice around the world and over the centuries On the other hand many of us are uncomfortable with some of the imagery and language found in the prayer books of the major Jewish denominations in the United States With this prayer book we have attempted to capture the spirit of Jewish liturgy while avoiding the objectionable elements When Congregation Sha ar Zahav was founded in 1977 only a handful of synagogues offered full acceptance to bisexual transgender lesbian gay and queer identified Jews From the outset Sha ar Zahav has been a community that is open to all Sha ar Zahav is affiliated with the Union for Reform Judaism URJ and this siddur reflects many of the innovations of the Reform movement as well as the URJ s commitment to an evolving liturgical tradition The members of Congregation Sha ar Zahav the authors of most of the new material in this siddur come from many varied backgrounds movements affiliations traditions and practices Some identify with Ashkenazi Sephardi or Mizrahi traditions Some were born into Jewish families while some chose Judaism We are young and old and every age in between We have sought to reflect both our shared traditions and our differences in our liturgy In order to create a spiritual home for all who choose to enter our gates and in order to develop a siddur which will continue to resonate with the congregation and reflect our community s diversity we have tried to cast a wide liturgical net We have drawn from the traditions we have been handed we have sought out sources that have been hidden and we have tapped the creative gifts of our own community In this edition we have been mindful of and have sought to expand the principles which have distinguished this siddur in the past using non sexist language when referring to both people and God restoring visibility to women throughout Jewish tradition speaking directly to the experience of lesbian gay bisexual transgender and queer identified people understanding the concept of Jewish chosenness as uniqueness envisioning the Messianic time as the fulfillment of tikkun olam the repair of the world and seeing ourselves as participants in the holy work of repair Siddur Sha ar Zahav includes alternative English versions of prayers and alternative Hebrew and Aramaic so that our values can be reflected in all of our languages of prayer Because of the gravity of altering wording that may be hundreds of years old we spent considerable time developing guidelines for Hebrew prayers In keeping with the Sha ar Zahav tradition we decided not to remove customary versions of prayers but to

add new versions alongside them We did not alter any passages taken from the Torah except to ensure gender inclusivity which is noted in the text Nor did we alter prayers such as the Mourners Kaddish which serve so powerfully to connect us to the Jewish people across time and space Where we did create new Hebrew versions we followed a set of principles which are discussed in the appendices Siddur Sha'ar Zahav endeavors to respect the varied and at times contradictory sensibilities of our people and our congregation Our goal is for all of us progressive Jews within the Reform movement's umbrella regardless of gender identity or sexual orientation to see ourselves reflected in our liturgy so that none of us experience the invisibility and exclusion we have historically encountered Our prayer book attempts to embody the teaching that each of us is created b'tzelem Elohim in the image of God While we know that not every reading will speak to each of us we hope that in these pages all of us will find a point of departure for prayer and for dialogue with the Source of creation
