I Know Coffee Series Book 3 How a bean is grown determines its flavor potential but it s the roasting that brings those flavors out and creates the rich complex flavors in the coffee that we drink Changing the roast level can bring out completely different notes and flavors from a bean and is just as important to the cup s ultimate profile as the growing and processing This book will explore how coffee beans are roasted both in large scale operations and by home enthusiasts Find out What roast levels work best with what beans How to roast for a certain brewing method What you ll need to set up your own roaster at home What are the coffee roasting process and stages The different coffee bean types Where to get unroasted coffee beans Coffee roasting profiles How to roast your own coffee commercially Traditional coffee roasting at home The perfect coffee roasting time **The Roaster's Manifesto: Unleashing the Art and Science of Specialty Coffee**

Roasting Kurniawan Arif Maspul,2023-05-08 Coffee is more than just a drink It s a ritual a source of comfort and a way to connect And for those passionate about coffee there s nothing quite like the experience of roasting your own beans But

specialty coffee roasting is more than just a technical skill. It's an art and a science, a way to express creativity, connect with the world, and positively impact the environment and the people who produce the coffee we love. This is the message of *The Roaster's Manifesto*, a book that goes beyond the basics of coffee roasting to explore its more profound meaning and potential. The book covers everything from the history of coffee roasting to the business and entrepreneurship of starting a specialty coffee roasting business. But it goes beyond that, exploring the art and science of coffee roasting in an inspiring and profound way.
