GENERAL NUTRITION CLUB QUESTIONS

1. What is a Nutrition Club?

Many Members utilize Nutrition Clubs as a way of doing business. Nutrition Clubs operate with the purpose of introducing and retailing Herbalife® products to new and existing customers. A Nutrition Club provides an informal setting for people to talk about good nutrition, learn the value of regular exercise and plan strategies for achieving a healthy lifestyle.

2. What are some reasons for operating a Nutrition Club?

A Nutrition Club is a convenient way to create a community experience around good nutrition and where attendees can familiarize themselves with Herbalife® products. They provide an informal setting, where members and guests can talk about Herbalife® products, sample Herbal Aloe beverages, Formula 1 Meal Replacement shakes, Herbal Tea Concentrate and other products. Should you choose to operate a Nutrition Club, it is easily combined with other business methods you may already be using. You can operate a Nutrition Club from a non-residential location or a residential location provided you comply with Herbalife Member Rules of Conduct and local laws.

3. Who can operate a Nutrition Club?

Only Herbalife Independent Members may operate a Nutrition Club. You must complete your first 90 days after Herbalife accepts your Membership Application before signing a lease for the purpose of opening a Nutrition Club in a non-residential location. You must also complete the Nutrition Club Operator's Training on MyHerbalife.com prior to opening a Nutrition Club in a non-residential location.

4. How do I start a Nutrition Club?

Here are some things to consider prior to opening a Nutrition Club: Meet with your Sponsor or other Nutrition Club operator in your organization to plan a "discovery day", where you can participate in a planned tour of Nutrition Clubs; You may also participate in a training program that includes both classroom-style training and hands-on practical experience at a Club; Ask your Sponsor or a Nutrition Club operator in your organization about a Member-led training program, attend Nutrition Club Workshops or other classroom-style training events such as a Success Training Seminar (STS), or find training resources on MyHerbalife.com. You should also decide whether to operate a Nutrition Club from a residential or non-residential location, and carefully consider the expenses and responsibilities associated with the Nutrition Club you wish to operate. Nutrition Club Operators with Clubs located in non-residential locations, must complete the mandatory registration process. This process includes taking Nutrition Club Operator's Training and registering your Nutrition Club with Herbalife on MyHerbalife.com. See the section for "Nutrition Club Operator's Training" in this document for more details.

5. Who needs to register the Nutrition Club with Herbalife?

All individual operators of a Nutrition Club located in non-residential locations must be registered. Only one Member, the Primary Nutrition Club Operator, should submit a Registration Form to Herbalife for each Nutrition Club location.
