Collected Works of Charles Kingsley: Sermons for the times Charles Kingsley, 1888 Collected Works of Charles Kingsley: Westminster sermons Charles Kingsley, 1894 **Collected Works of Charles Kingsley: Village sermons, and Town and country sermons** Charles Kingsley, 1894 **Religion Index One**, 2007 Before Salem Richard S. Ross III, 2017-05-15 Decades before the Salem Witch trials 11 people were hanged as witches in the Connecticut River Valley The advent of witch hunting in New England was directly influenced by the English Civil War and the witch trials in England led by Matthew Hopkins who pioneered techniques for examining witches This history examines the outbreak of witch hysteria in the Valley focusing on accusations of demonic possession apotropaic magic and the role of the clergy Although the hysteria was eventually quelled by a progressive magistrate unwilling to try witches accounts of the trials later influenced contemporary writers during the Salem witch hunts The source of the document Grounds for Examination of a Witch is identified **Evolution and Holiness** Matthew Nelson Hill, 2016-02-08 Theology needs to engage what recent developments in the study of evolution mean for how we understand moral behavior How does the theological concept of holiness connect to contemporary understandings of evolution In this groundbreaking work Matthew Hill uses the lens of Wesleyan ethics to offer a fresh assessment of the intersection of evolution and theology *The Fourth Gospel, Evidences External and Internal of Its Johannean Authorship* Ezra Abbot, Andrew Preston Peabody, Joseph Barber Lightfoot, 1891

Saint Saul Donald Harman Akenson, 2002-06-20 Offers a lively and provocative account of what we can learn about Jesus by reading the letters of Paul providing fresh new insights into both Jesus and Paul The author painstakingly recreates the world of Christ a time rich with ideas prophets factions priests savants and god drunk fanatics He insistently stresses throughout the Jewishness of Jesus e g referring to Jesus and Paul as Yeshua and Saul as they were then known Equally important he dismisses the traditional method of searching for facts about Jesus by looking for parallels among the four Gospels they were handed down to us as a unit by a later generation he argues Saul although he did not know Yeshua personally knew his most important followers and wrote immediately after Yeshua's death His teachings were approved though sometimes reluctantly by Yeshua's brothers and other early leaders **Studies in Matthew** Dale C. Allison, 2005-11 A leading Matthean scholar blends exegesis history of interpretation and theological reflection to offer illuminating studies on the First Gospel **Proceedings of the Church Missionary Society for Africa and the East...** Church Missionary Society, 1904 *Screen World 1993* John Willis, 2000-02-01 Screen World John Willis Screen World has become the definitive reference for any film library Each volume includes every significant U S and international film released during that year as well as complete filmographies capsule plot summaries cast and characters credits production company month released rating and running time You'll also find biographical entries a prices reference for over 2 000 living stars including real name school place and date of birth A comprehensive index makes this the finest film publication that any film lover could own

Beyond Virtue Ethics Stephen M. Meawad, 2023 This book develops a contemporary model of spiritual struggle aimed at perpetual ascent to and in God Spiritual struggle in this project which ultimately shifts the emphasis from virtue s acquisition to its pursuit is defined as the exertion of effort in all conceivable dimensions physical emotional psychological intellectual and spiritual with intent to attain a semblance of knowledge of and intimacy with Jesus Christ in community for God and for others Gregory of Nyssa s theory of epektasis assumes a basic three tiered conception of perpetual ascent beginning with purification and detachment from fleshly passions strengthening the soul by increasing in similitude to God and ending with unity with God that is with inexpressible and transformative experience of God God the infinite the Good and the Paragon of virtue functions as the orienting principle of this perpetual ascent mitigating the issues of the unity of the virtues and the self centeredness and self effacement of virtue This book goes on to provide two of many potential concrete instantiations of this suggested model The first is the application of this model to the body which in turn will have implications for contemporary sexual ethics The second is a reintegration of ethics and Scripture through the contemporary application of an ancient Patristic *lectio divina* The Post Office London Directory ,1847 **I Judge No One** David Lloyd Dusenbury, 2023-01-01 Why was Jesus who said I judge no one put to death for a political crime Of course this is a historical question but it is not only historical Jesus s life became a philosophical theme in the first centuries of our era when pagan and Christian philosophers clashed over the meaning of his sayings and the significance of his death Modern philosophers too such as Immanuel Kant and Friedrich Nietzsche have tried to retrace the arc of Jesus s life and death I Judge No One is a philosophical reading of the four memoirs or gospels that were fashioned by early Christ believers and collected in the New Testament It offers original ways of seeing a deeply enigmatic figure who calls himself the Son of Man David Lloyd Dusenbury suggests that Jesus offered his contemporaries a scandalous double claim First that human judgements are pervasive and deceptive and second that even divine laws can only be fulfilled in the human experience of love Though his life led inexorably to a grim political death what Jesus s sayings revealed and still reveal is that our highest desires lie beyond the political Herald of Gospel Liberty Elias Smith, 1904 The Origin of Satan Elaine Pagels, 2011-10-12 From the National Book Award winning and National Book Critics Circle Award winning author of *The Gnostic Gospels* comes a dramatic interpretation of Satan and his role on the Christian tradition Arresting brilliant this book illuminates the angels with which we must wrestle to come to the truth of our bedeviling spritual problems The Boston Globe With magisterial learning and the elan of a born storyteller Pagels turns Satan s story into an audacious exploration of Christianity s shadow side in which the gospel of love gives way to irrational hatreds that continue to haunt Christians and non Christians alike Rhetoric and Human Consciousness Craig R. Smith, 2017-04-12 For two decades students and instructors have relied on award winning author Craig Smith s detailed description and analysis of rhetorical theories and the historical contexts for major thinkers who advanced them He employs key themes from important philosophical schools in this well researched

chronicle of rhetoric and human consciousness One is that rhetoric is a response to uncertainty The modern philosophers like the naturalists of ancient Greece and the Scholastics who preceded them tried to end uncertainty by combining the discoveries of science and psychology with rationalism Their aim was progress and a consensus among experts as to what truth is However where modernism proved ineffective rhetoric was revived to fill the breach Another significant theme is that different conceptions of human consciousness lead to different theories of rhetoric and for every major school of thought another school of thought forms in reaction Classic and contemporary examples demonstrate the usefulness of rhetorical theory especially its ability to inform and guide By providing probes for rhetorical criticism discussions also demonstrate that rhetorical criticism illustrates verifies and refines rhetorical theory Thus the synergistic relationship between theory and criticism in rhetoric is no different than in other arts Theory informs practice analysis of successful practice refines theory Smith s absorbing study has been expanded to include thorough treatments of rhetoric in the Romantic Era feminist and queer theory and historical context for the creation of rhetorical theory and its use in public address *Accessing Early English Books, 1641-1700: Subject index* University Microfilms International,1981 UMI s Early English books 1641 1700 series is a microfilm collection of works selected from Donald Wing s Short title catalog of books 1641 1700 *Sometimes I Forget* Julie Sunne,2024-05-07 *Sometimes I Forget* invites us to know God more intimately so we can trust Him more deeply providing 60 devotionals centered on the attributes of God *Cambridge University Archives* D. M. Owen,2011-06-02 A list of all the materials deposited in the Cambridge University Archives before June 1987
