Prophecy in the New Millennium Suzanne

Newcombe, Sarah Harvey, 2016-04-15 Secular and spiritual prophets of doom abound in the information rich twenty first century as they have for millennia But there has yet to be worldwide floods meteor impact global computer failure obvious alien contact or direct intervention from God to end the world as we know it Considering the frequency with which prophecy apparently fails why do prophecies continue to be made and what social functions do they serve This volume gives a concise but comprehensive overview of the rich diversity of prophecy its role in major world religions as well as in new religions and alternative spiritualities its social dynamics and its impact on individuals lives Academic analyses are complimented with contextualized primary source testimonies of those who live and have lived within a prophetic framework The book argues that the key to understanding the more dramatic apocalyptic and millenarian aspects of prophecy is in appreciating prophecy s more mundane manifestations and its role in providing meaning and motivation in everyday life **Curating Spaces of**

Hope Matthew Barber-Rowell, 2025-03-31 What might a political theology of leadership look like in uncertain times Curating Spaces of Hope explores how individuals and communities work together to shape and contribute to society in times of pandemic Brexit war and a cost of living crisis through the exploration and development of local leadership practice underpinned by shared values *The New Apostolic Reformation, Trump, and Evangelical Politics* Damon T.

Berry, 2023-06-29 Whilst many assume that conservative evangelical support for Trump is motivated by his position on social issues such as abortion and LGBTQ rights or a nostalgia for an imagined American golden age this book shows that the reality is much more complex by looking at a more recent and understudied trend of Evangelicalism in America Damon T Berry examines how leaders within the New Apostolic Reformation NAR a charismatically inclined Evangelical movement claim their support for Trump came from alleged prophetic visions that compelled them to defend Trump s candidacy and to continue to defend his presidency re election against demonically inspired Marxist Deep State enemies In this conspiratorial cosmology spiritual warfare through prayer and political activism is the duty of the faithful so that they might protect Trump as God s anointed leader and war against malevolent unpatriotic forces that oppose him the nation and God himself Working from primary source materials produced by leading figures among the NAR Berry argues that this conspiratorial discourse is central to NAR support for Trump s candidacy presidency and re election effort and that this discourse has come to shape some of the most important debates among American religious conservatives in the 21st century **Religious Right** A.F.
