The Shepherd's Staff Ralph Mahoney, 2002 The South Indian Pentecostal Movement in the Twentieth Century

Michael Bergunder, 2008-06-06 Making up approximately 20 percent of South India's Protestants Pentecostals are an influential part of India's Christian culture yet there is a distinct lack of scholarly focus on this increasingly large group This careful well informed study by Michael Bergunder ably fills that gap After a brief historical introduction to the worldwide growth of Pentecostalism Bergunder delves into the history of the South Indian Pentecostal movement in the first section The second section gives a systematic profile of the current movement in South India based on a wide range of source materials and on formal interviews with nearly two hundred leading pastors and evangelists Bergunder finishes his work with prospects for the future Three appendixes and an extended bibliography offer ample ground for further research **Basis**

of Preaching Biblical Message: Preach the Word Rev Dr Koningthung Ngoru Moyon, 2024-11-07 Public Speaking is one of the most important task and challenging to the human beings It is imperative for all the committed Christians to lean learn and live with the Biblical truths As such the knowledge and application of Scripture is an utmost necessity to be grounded upon the word of God The necessity of Scripture means that the Bible is necessary for knowing the gospel for maintaining spiritual and moral life and for knowing God's will but is not necessary for knowing that God exists or for knowing something about God's character and moral law Basis of Preaching Biblical Message Preach the Word is for the glory of God the building up of the church and society and the spreading of the Gospel to the ends of the earth that is to all the creation Biblical preaching is centered around and takes its content from the inerrant Word of God True Biblical preaching aims at life change Biblical preaching also comes through the personality of the preacher Some communicators or preachers are encouragers some are confrontational Some are humour while others use sound logic and well reasoned content It is not good to fall into the trap of trying to mimic your favourite preacher Instead learn from them and develop your own style as a good communicator Rev Dr Koningthung Ngoru Moyon presents Biblical Preaching in his book Basis of Preaching Biblical Message Preach the Word is both an art and a science It is a science in the sense that there are rules and principles of communication that we are to follow It is an art in that each person brings his own unique personality and style to the preaching experience Preaching is truth through personality Both are necessary However the very important and foremost focus in the book is that Biblical Preaching is empowered by the work of the Holy Spirit is focus in the book **China's**
