Hollywood Phyllis Demarecaux has woven a fascinating story that traces the arc of her long colorful life *The Age of Melodramatic Miniseries* Scott Humphries,2023-03-24 Glamour power champagne breakfasts in satin sheets welcome to television s most dazzling and overlooked genre women centric melodrama miniseries of the 1980s and 1990s Decades before Real Housewives rags to riches fantasies depicting strong women overcoming tragedy to take charge of their destinies were a big hit with TV audiences Reflecting the greed is good ethos of the day and encoded with feminist messaging these glitzy often camp stories depicted statuesque superwomen facing off with square jawed men in boardrooms and bedrooms This book explores the shows that epitomized the prime time soap era and gave us such memorable scenes as Stefanie Powers trading lovers with her twin sister Joan Collins fighting Nazis in haute couture and Phoebe Cates demanding Which one of you bitches is my mother **ABA Journal** , The ABA Journal serves the legal profession Qualified recipients are lawyers and judges law students law librarians and associate members of the American Bar Association **Mistaken Identity** Joseph A. Levy,2013-08-01 Michael Biton is a young ambitious law school student with a bright future ahead of him Suddenly everything comes crashing down on him as he is mistakenly identified arrested and indicted for a crime that he did not commit His future which had been unlimited becomes uncertain as he must now face trial He must pay a lot of money to a defense lawyer while at the same time deal with an overzealous prosecutor determined to convict him at any cost Will justice prevail or will he be wrongfully convicted and imprisoned Mistaken Identity is an intense personal drama about a horribly traumatic experience It is about a young man getting a legal education a legal education far different from the casebook law that he had been learning in law school Mistaken Identity is a book that will leave you guessing until the very end *The Publishers Weekly* ,1988 *The Attitude of Destiny* Bond,2024-03-25 The Attitude of Destiny is a story of a boy who had to encounter Destiny at all levels right from his childhood to his adolescence covering 4 decades of captivating sequences Besides the author has covered many sensational news of the past decades to prove his point of view and for some it may be a journey down memory lane however by the end of the book the readers will be in a better position to judge the influence of Destiny in one s life **KELONG KINGS** Wilson Raj Perumal, Alessandro Righi, Emanuele Piano,2014-04-28 Wilson Raj Perumal has been labeled the world s most prolific match fixer in football s recent history Born a village boy in rural Singapore in the mid 60 s Wilson climbed the heights of international match fixing across five continents becoming FIFA s most wanted man Like a guppy in the sea Wilson starts off a small gambler mixing with the local Singapore bookies and witnesses the rise and fall of the old school Asian big fish of match fixing until he finds himself competing against them in a world with no set rules where turncoats are the norm and quick money the only drive Perumal was arrested in Finland in February 2011 and decided to collaborate with authorities thus opening the match fixing Pandora s box In his book Wilson reveals an unprecedented account of how the international match fixing underworld has influenced the outcomes of matches at every level of football that we may well have watched unsuspectingly Kelong Kings is the ultimate tale about gambling

football and match fixing told directly by the man who made it all happen But be advised after you read this book you will never be able to watch a soccer match in the same way again **Publishing Books** Everette E. Dennis,Craig L.

LaMay,Edward C. Pease,1997-01-01 Warnings of the death of the book and the degradation of literature have been prevalent for decades yet books survive and book publishing remains a viable and important force with the media mix At times it is hard to distinguish book publishing from the rest of the media enterprise since publishing houses are both independent entities and also part of newspaper magazine and electronic media empires The oldest of the mass media books were also the first to achieve a global presence crossing easily over national and political boundaries from earliest times and serving as a venue for debate and development of thought As testimony to their continued viability publishing houses have been briskly bought up in the international marketplace by global media conglomerates Publishing Books explores the current health and future prospects of books and the book publishing industry in the United States It contains perspectives ranging from an insider view of publishing executives to those of agents authors booksellers and readers Dan Lacy provides an overview of the structure and economic history of book publishing Jeremiah Kaplan predicts that books as we know them will disappear in the next century although writers and readers will not Gene D Lanier contends that one worsening threat to books and publishing is the incidence of censorship Other topics covered in Publishing Books include the importance of book reviews the histories of New York s greatest bookstores why there are so few book lovers among journalists and the decline in quality of the writings of U S presidents This volume also includes a section by Beth Luey reviewing six books on publishing Publishing Books is a pioneering study of the history current status and future of books and their impact It will be vital for publishers editors and librarians **Why We Love the Dogs We Do** Stanley Coren,2000-04-25 A Dog s Best Friend In Why

We Love the Dogs We Do Stanley Coren provides a foolproof guide to understanding which dog will make the best lifetime companion He brings together his expertise in the fields of human psychology and animal behavior to provide a completely new approach to the dog human relationship Working with a team of animal experts Coren has identified seven groups of dogs based on characteristics such as friendliness protectiveness independence and steadiness Each group contains dogs from different breeds that share similar personality traits a unique departure from the familiar American Kennel Club breed groups Perhaps even more fascinating are the results of Dr Coren s extensive work matching human personality types with canine characteristics Using his personality tests anyone can determine which dog is the right match and which dog is almost certain to cause heartbreak Rich in anecdotes and grounded in scientific study Why We Love the Dogs We Do offers us the tools we need to find happiness in what can be among the most satisfying relationships of a lifetime **1980** Jim

Cullen,2022-10-14 1980 was a turning point in American history When the year began it was still very much the 1970s with Jimmy Carter in the White House a sluggish economy marked by high inflation and the disco still riding the airwaves When it ended Ronald Reagan won the presidency in a landslide inaugurating a rightward turn in American politics and culture We

still feel the effects of this tectonic shift today as even subsequent Democratic administrations have offered neoliberal economic and social policies that owe more to Reagan than to FDR or LBJ To understand what the American public was thinking during this pivotal year we need to examine what they were reading listening to and watching 1980 America's Pivotal Year puts the news events of the era everything from the Iran hostage crisis to the rise of televangelism into conversation with the year's popular culture Separate chapters focus on the movies television shows songs and books that Americans were talking about that year including both the biggest hits and some notable flops that failed to capture the shifting zeitgeist As he looks at the events that had Americans glued to their screens from the Miracle on Ice to the mystery of Who Shot J R cultural historian Jim Cullen garners surprising insights about how Americans attitudes were changing as they entered the 1980s Praise for Jim Cullen's previous Rutgers University Press books Informed and perceptive Norman Lear on Those Were the Days Why All in the Family Still Matters Jim Cullen is one of the most acute cultural historians writing today Louis P Masur author of The Sum of Our Dreams on Martin Scorsese and the American Dream This is a terrific book fun and learned and provocative Cullen provides an entertaining and thoughtful account of the ways that we remember and how this is influenced and directed by what we watch Jerome de Groot author of Consuming History on From Memory to History
