Ever After Duet Liz Czukas, 2022-05-17 Ever She's the girl next door my best friend and all I want If only I could figure out how to tell her Ever since my dad took a job in Washington D C I'm used to picking up the slack around the house Between school taking care of my four sisters and diving practice I'm a master at handling whatever life throws at me Except when it comes to the girl next door Gwen has been my best friend ever since kindergarten She's the jelly to my peanut butter the frosting to my cake She's there for me like no one else The keeper of my secrets Except there's one secret I can't figure out how to share I'm hopelessly in love with her And secrets have a nasty way of multiplying Just when I need my best friend the most another guy asks me for advice on how to win Gwen's heart How much can one person really handle After I had my happily ever but what actually happens after Falling in love with my best friend was pretty much the best idea I ever had Being with Sam makes everything better Now all we have to do is get into the same college and the future will be brighter than the sun Then everything went supernova A missed period and a positive pregnancy test Suddenly the clock is ticking on the future Every possible decision feels wrong All I want is a way out For someone anyone to take this choice away from me But when fate takes choice out of the equation I feel like I've been shredded in pieces I don't know what to feel or who to turn to The only person who might understand is Sam But I've never felt further away from the person I love the most How do you rebuild when you find yourself standing in ruins

Throwing My Life Away Liz Czukas, 2016-12-20 She has two weeks to get it all back Mariska Bokori never thought she'd spend her last two weeks of summer planning a fake prom almost getting arrested in her pajamas or falling for a guy with such an awful haircut But that was before her stepfather accidentally threw away all her high school mementos Now armed with only her trusty camera and a deep seated fear of leaving for college Mariska is determined to recreate some of her favorite moments before her friends are scattered to the four corners of higher education There's no time to lose and there's certainly no time to be almost kissing Caine Fitzgibbon at every turn They're just friends And he thinks her plan is unnecessary But what does he know He's about as sentimental as a park bench Except somehow he's always there And it turns out he might just know a thing or two about losing your past if Mariska is willing to listen keywords romantic comedy young adult teen coming of age contemporary YA friends friendship BFF college university high school graduation summer
