Assyrian Discoveries George Smith, 2023-10-14 Reprint of the original first published in 1875 [Finding Antiquity](#), [Making the Modern Middle East](#) Guillemette Crouzet, Eva Miller, 2025-06-12 This volume presents innovative studies of how the emerging disciplines of archaeology and ancient history shaped the modern Middle East and how they were in turn shaped by competing visions and agendas of empires and new nations The Middle East was a region constructed through its putatively unique relationship to the whole world's past and its special relevance for the destiny of empires and nations Over the course of the nineteenth and early twentieth centuries European empires fought for influence and control over this cradle of civilization empire and monuments and local powers and people in the Middle East worked with and against these historical and heritage frameworks in their own quests for self-determination In this volume contributors from the fields of history archaeology and heritage explore how historical consciousness about the Middle East was contested in the nineteenth and early twentieth century through excavation and interpretation of the past Chapters span West Asia and North Africa covering Turkey Iraq Iran Syria Lebanon Israel Palestine Egypt and Tunisia and the imperial history of Britain France Germany and the Ottoman Empire The result is an original contribution to our understanding of the origins and influence of Middle Eastern archaeology which resonates today in contemporary discussions on heritage discourses and practices

SMITH, 2018 [Assyrian Discoveries](#) George Smith, 2017-11-19 Excerpt from *Assyrian Discoveries An Account of Explorations and Discoveries on the Site of Nineveh During 1873 and 1874* In the body of my work I have acknowledged the assistance I received from several gentlemen official and private in my expeditions To these I must add the name of M Peretie the French consul at Mosul who was of great assistance to me in my dealings with the Turkish officials and took as much interest in my affairs as if I had been a fellow subject with himself The presence of M Peretie at Mosul and his generous attention to British interests makes the want of a British consul less felt but it is extremely unfortunate that in the wide extent of country between Aleppo and Baghdad there is not a single British representative About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state-of-the-art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged
