Auto Biography Of A Yogini:

Autobiography of a Yogini Kamala Easton, Kamala Easton Ph D, 2012-11-01 AUTOBIOGRAPHY OF A YOGINI is the story of the author's spiritual transformation and mystical and tempestuous 7 year relationship with one of the world's most renowned gurus Sri Sri Ravi Shankar. I wasn't raised to become a devotee or follower. I was a black single mother who was raised by a black single mother. Education had been my path to enlightenment, pulling me up out of a chaotic childhood. With a psychology degree from UC Berkeley and a Ph D in Education from UCLA, I spent 20 years in the ashram of higher education. Although I had studied God, I was completely unprepared for contacting God the way I did through this famous and powerful spiritual leader and world figure who has over twenty million followers. Intellectual pursuits became irrelevant as I was consumed by an extraordinary relationship with a man who could read my mind and make his thoughts my own. Unbelievable spiritual powers opened within me. I became able to see, hear, and connect to the Divine at will. The unveiling of these powers was a continual source of surprise to me as they expanded my consciousness of this world. But all of this transcendence occurred against a backdrop of heartache. Although he and I were living out this ancient love inside one of the largest spiritual organizations in the world, we were also just a man and a woman.

Loving Kindness, 1972 **Sacred Rivers** Wanderers Journey, The, 2023-11-02 **A Yogini's Autobiography: My Divine Romance with God Vol Two** Gina Kim, 2010-03-01 The story about the inner workings of the Master guiding my life. Then I inwardly heard a tender loving voice say Love everyone like you love me. My Beloved had spoken through my heart in an unexpected way, telling me to love everyone in the same way I loved Him. My heart automatically responded Yes beloved Babaji because I love You so much and because everyone is your beloved child, I shall love everyone like I love you. I do love everyone. That night Babaji had spoken to my heart of pure unconditional love. I felt totally soothed and at peace after those moments of precious heart conversation with Babaji. My heart no longer ached. The ache was replaced by peace. My very private beautiful divine romance with God in the form of Babaji was flowing at a deeper level in my heart journey with Him. He had spoken to me in a very personal way, filling my heart with a beautiful divine heart message of Love. It is because I love Him so that I shall remember and continue to learn to love everyone unconditionally just for Babaji. My being was totally embraced with the message of love.

The Life and Visions of Yeshé Tsogyal The Terton Drime Kunga,Yeshe Tsogyal,2017-08-22 This stunning biography reveals the heroic life of Yesh Tsogyal the mother of Buddhism in Tibet and a powerful female role model for spiritual accomplishment and perfection This secret life story of Yesh Tsogyal presents a valuable and unique perspective that is quite a departure from any other account of this remarkable woman Described as a secret life story its many layers include an outer account detailing her birth family and societal constraints an inner account that begins as she meets and escapes captivity with Guru Rinpoche and a secret account as she enters twelve years of retreat at Chimpu only to miraculously journey to Oddiyana The role of women and womanhood is notable throughout her life story Her desire for independence is at odds with her desirability as a woman leading to numerous tragic incidents early in life Finally meeting Guru Rinpoche she decries her status as a woman This sort of gendered humility a recurring theme is juxtaposed with her assertion that despite being a woman and low born skye ba dman she has a high regard for herself anyway It is a magical woman who guides her to Oddiyana and her travels there are filled with primarily female companions In the end she remains Guru Rinpoche s primary disciple and doctrinal custodian Her experiences while perhaps intense and fantastical include the same elements of challenge learning and progress that all practitioners must experience During her adventures in Oddiyana Yesh Tsogyal receives the same core teachings on faith impermanence and fortitude that are essential for anyone following this spiritual path This accomplished translation is enriched by the refreshing insights of six contemporary scholars and teachers of Tibetan Buddhism making this invaluable guide to the life of Yesh Tsogyal a treasure for practitioners scholars and anyone intent on the possibility of awakening
