

Unit 14

Read the following passage from the poem *Acquainted with the Night* by R. Frost. Answer the questions (1-8).

Passage 1

- 1 I have been one acquainted with the night.
 - 2 I have walked out in rain—and back in rain.
 - 3 I have outwalked the furthest city light.
 - 4 I have looked down the saddest city lane.
 - 5 I have passed by the watchman on his beat
 - 6 And dropped my eyes, unwilling to explain.
 - 7 I have stood still and stopped the sound of feet
 - 8 When far away an interrupted cry
 - 9 Came over houses from another street,
 - 10 But not to call me back or say good-bye;
 - 11 And further still at an unearthly height,
 - 12 One luminary clock against the sky
 - 13 Proclaimed the time was neither wrong nor right.
 - 14 I have been one acquainted with the night.
- (*Acquainted with the Night*, R. Frost)

How to Get Into Medical School in Australia Timothy Shiraev, 2013-04-01. How to Get into Medical School in Australia is the definitive guide on how to succeed in your application to medical school and how to excel once there. The book provides comprehensive details of the admissions processes both undergraduate and graduate in an easy to digest chronological format to help you manage your application step by step. This detailed handbook includes an overview of the admissions process and the career of a doctor, characteristics sought in potential medical students and how to optimise them, study techniques for high school and undergraduate students, information on how to prepare for the medical school entry exams UMAT and GAMSAT, the pros and cons of undergraduate and postgraduate medical school and timelines on when to begin preparing for each step of the application process. The guide also features advice on special applications for mature age, indigenous, rural and international students, non traditional routes of entry, how to optimise your medical school application form including sample resumes and the all important medical school interview including how to prepare, how to dress and how to answer questions successfully on the day as well as several pages of practice interview questions. Once you have succeeded in gaining admission the book also offers information on what medical school is like and advice on how to excel and enjoy it including a list of necessary textbooks. Additionally the guide includes advice from people who have excelled in various parts of the process: those who aced their high school leaver's exams, medical students and junior and senior doctors. They describe their experiences and most importantly provide tips and guidance on how to succeed in getting into and studying at medical school. Also included are the profiles of every medical school in Australia detailing entry requirements, contact details, fees, numbers of places for students and the focus and academic ranking of each individual school.
