Eternal Consciousness John S. Dunne, 2012 In his new book John S Dunne asks So what is eternal consciousness It is I take it consciousness of the eternal in us If time is a changing image of eternity as Plato says the changing image of the human being is like The Voyage of Life four paintings by Thomas Cole showing childhood youth adulthood and age The eternal in us is the person going through these phases It is the vertical dimension of the life as in the title scene of War and Peace where Prince Andre lay on the battlefield looking up into the peaceful sky perceiving peace in the midst of war If the horizontal dimension is time and the vertical dimension is eternity then eternal consciousness is awareness of the vertical dimension What is more the vertical dimension carries through the horizontal as the person walks through life upright instead of being dragged through in quiet desperation Willingness and hope accordingly is willingness to walk through upright with hope in the face of death and darkness from the book What can I know What should I do What may I hope Dunne explores these questions in his characteristic hermeneutic method finding the answer in the words of eternal life John 6 68 It is the life of the spirit that is the eternal in us the inner life of knowing and loving the life of hope and peace and friendship and intelligence If there were no eternal consciousness in a man Kierkegaard says what then would life be but despair John Dunne adds if there is eternal consciousness in us on the other hand there is hope To readers of John Dunne s books Eternal Consciousness will be the latest installment chronicling his spiritual journey to readers new to Dunne s oeuvre it will be a lively introduction to the distinctive voice and thought of an inspiring author As action grows more frantic and voices more shrill in this age of terror John Dunne s wisdom born of Eternal Consciousness shows us and leads us into our true selves never unloved never abandoned willing to walk on with God through life into the very gateway of death itself Jon Nilson Loyola University Chicago
