New Age Spirituality Steven J. Sutcliffe,Ingvild Saelid Gilhus,2014-09-11 New Age and holistic beliefs and practices sometimes called the new spirituality are widely distributed across modern global society The fluid and popular nature of new age makes these movements a very challenging field to understand using traditional models of religious analysis Rather than treating new age as an exotic specimen on the margins of proper religion New Age Spirituality examines these movements as a form of everyday or lived religion The book

brings together an international range of scholars to explore the key issues insight healing divination meditation gnosis extraordinary experiences and interactions with gods spirits and superhuman powers Combining discussion of contemporary beliefs and practices with cutting edge theoretical analysis the book repositions new age spirituality at the forefront of the contemporary study of religion **The healing journey demystified: achieving sustainability one heart at a time** Dr.

Jodi-Anne M Smith,2018-05-18 Through sharing her own journey healing from child abuse Jodi Anne demonstrates the healing process and its links to spiritual growth and consciousness Many healing techniques are explained and the book includes examples of art and dreams as healing tools This book is recommended for all who want to find inner peace and happiness If you did not suffer abuse while a child this book will provide you with insight into what those who do suffer it experience It should also assist you in seeing how to heal whatever conditioning and hurts from throughout your life you do have We all undergo the personal growth process the healing journey learning to love and accept ourselves unconditionally learning to honour ourselves others and the Earth learning to live in a loving and sustainable way actualising our life purpose
