Windmill Lesson (120 Poems in Indonesian Print Media) Lasinta Ari Nendra Wibawa, Kinanthi Anggraini, 2018-05-17
WINDMILL LESSONS Love you sincerely O wind it's the same as loving friends of the poor and poor because the wall roof is like the most wanted dream when fate forced him to be a captain without a cabin I never cursed the lips that mention the propeller even though life begins with a dizzying wind not a machine that repeatedly fondles bearings or the burning of fossils that now have a foreign face We rely on life from a blow to blow then work to pull the two wheels that intersect like a fertile field with scattered seeds but we regularly water it even though there is no rain We believe that every job start with gradual change then learn from the snail that survives from enemy invasion and threat of starvation We believe that every effort beats from the simplicity that is not in vain then contemplate the fallen tree after being slaughtered rot and then pass on the fungi that decompose because that's how opportunity is born not the fruit of waiting luck but from event to event what was once a normal thing struggling to free you from the dark embrace without ever waking up a bunch of smoke is a very very sacred mission without shouldering any strings attached another day without polluting the baby's soft nose young children and nursing mothers oh no matter how fast persistent we run keep the heart back where we started Surakarta November 25 28 2013 The poem was published in Suara Merdeka newspaper December 1 2013

Request of The Sky (90 Poems in Indonesian Print Media) Lasinta Ari Nendra Wibawa, 2018-05-29 REQUESTS OF THE SKY forgive me if I'm not as beautiful as I used to be and no longer blue because all your actions too you cut down all my pillars to decorate your furniture oh the virtuous beings my request is only one keep my friend this earth like you take care of yourself if you realize this sickness of the earth is your pain the anguish of the earth is your misery once again keep the earth Jepara February 24 2005 The poem was published in MOP magazine May 2005 Request of the Sky is a book of poems by Lasinta Ari Nendra Wibawa Lasinta is one of the young writers who are quite productive writing in print mass media Throughout his authorship career beginning in early 2005 his writings have spread across 73 local and national mass media and won dozens of awards Request of the Sky contains selected poems entirely in local and national media from early 2005 2012 The process of authorship that can be spelled out long enough to make Lasinta more mature in the work No exaggeration if the poems in this book further confirm that the work of Lasinta is quite successful in coloring Indonesian literary blangka especially newspaper literature Thus reading Request of the Sky can be a means of adding a collection of literary material to readers who want to learn to write poetry or an agitated poet to simply conduct a comparative study of the work Because reading other people's work can make our eyes open to assess what kind of quality our work

Electoral Dynamics in Indonesia Edward Aspinall, Mada Sukmajati, 2016-04-05 How do politicians win elected office in Indonesia To find out research teams fanned out across the country prior to Indonesia's 2014 legislative election to record campaign events interview candidates and canvassers and observe their interactions with voters They found that at the grassroots political parties are less

important than personal campaign teams and vote brokers who reach out to voters through a wide range of networks associated with religion ethnicity kinship micro enterprises sports clubs and voluntary groups of all sorts Above all candidates distribute patronage cash goods and other material benefits to individual voters and to communities Electoral Dynamics in Indonesia brings to light the scale and complexity of vote buying and the many uncertainties involved in this style of politics providing an unusually intimate portrait of politics in a patronage based system

Indonesia in the New World Arianto A. Patunru, Mari Pangestu, M Chatib Basri, 2018-05-30 Globalisation is more complex than ever The effects of the global financial crisis and increased inequality have spurred anti globalisation sentiment in many countries and encouraged the adoption of populist and inward looking policies This has led to some surprising results Duterte Brexit and Trump to name a few In Indonesia the disappointment with globalisation has led to rising protectionism a rejection of foreign interference in the name of nationalism and economic policies dominated by calls for self sufficiency Meanwhile human trafficking and the abuse of migrant workers show the dark side of globalisation In this volume leading experts explore key issues around globalisation nationalism and sovereignty in Indonesia Topics include the history of Indonesia s engagement with the world Indonesia s stance on the South China Sea and the re emergence of nationalism The book also examines the impact of globalisation on poverty and inequality labour markets and people especially women
