Management Of Organizational Behavior Gbv

Simon Okumba Miruka

Management Of Organizational Behavior Gbv:

Introduction to Organizational Behavior St. Clements University Academic Staff - Türkiye, Work motivation can be defined as the level of energy commitment and creativity that a company's workers bring to their roles. It is a multidimensional construct influenced by intrinsic and extrinsic factors as well as contextual elements within the workplace. Theories of work motivation provide frameworks through which organizations can understand not only why employees are motivated but how they can enhance motivation levels to achieve organizational goals. *Contemporary Perspectives in Human Resource Management and Organizational Behavior* Riann Singh, Shalini Ramdeo, 2023-05-04 This book aims to address one of the key challenges facing Human Resource Management (HRM) and Organizational Behavior (OB) researchers. It delves into contemporary topics from which focused research models, ideas, and questions can be developed and tested. HRM and OB are closely related and intersect each other in the examination of practices which are aimed at managing employees and explaining their behaviors. Proposing to provide researchers with easy access to a slew of contemporary research advancements within the field, this work explores ten contemporary research areas within HRM and OB. Topics include innovative HRM/OB responses in crises, alternative work arrangements for the contemporary workplace, employee mental health, from diversity to inclusion in the workplace, workplace harassment, HRM in small and medium enterprises, alternative perspectives in employee turnover, organizational citizenship, and counterproductive work behaviors leading for work engagement and employee motivation in a changing environment. Providing researchers with a comprehensive overview of research advances within selected contemporary areas, this book seeks to spur critical thinking, spark alternative research perspectives, innovate extensions to existing theories, and provide the foundation from which focused research can grow and develop within these management fields. *Gender-Based Violence in the Global South* Ramona Biholar, Dacia L. Leslie, 2024-02-26 This book amplifies the different voices and experiences of those facing gender-based violence (GBV) in the Global South. It explores the localised ways in which marginalised individuals design modes of coping with and address GBV, including cultural interpretations and artistic and faith-based expressions. The book examines GBV triggers, prevalence, and societal impacts while referring to community, national, and regional mobilisation to deal with the phenomenon in its various manifestations, including physical, psychological, political, domestic, and public violence. It explores issues related to women's negotiations with the patriarchal underpinnings of GBV, the role of the law and history in the perpetuation of GBV, the complementary role of culture and faith to legal protection against GBV, and access to justice for women and girls. In doing so, the book exposes understandings and expressions of GBV as well as methodologies and indigenous initiatives to prevent it through local, viable solutions. The book thus challenges the normalisation of GBV in the Global South. Providing concrete and culturally relevant suggestions for challenging ingrained models of gender understandings of violence in the Global South, this book will be of interest to academics in the fields of Development Studies, Gender Studies, Women's Studies, Violence and

Abuse Studies Human Rights Criminal Law and Socio Legal Studies **Handbook of Diversity Competence** Petia Genkova, Matt Flynn, Michael Morley, Martina Rašticová, 2025-07-01 This open access handbook provides the most current overview of the discussion on diversity competence with a focus on Europe Diversity competence has become a key area of interdisciplinary study because of the increasingly intercultural nature of institutions and organisations across the world This important handbook reviews the conceptual and theoretical foundations of this concept and reflects on the scope of its application It provides directions for further research in the theory research and practice of diversity competence and includes country wise perspectives as well An international team of researchers brings together insights from research and best practice in psychology cultural sciences economics pedagogical sciences sociology social work medicine theology politics and law This is an important resource for a wide readership of students researchers and practitioners who research on or work with people from diverse cultures

Understanding Gender-Based Violence Caroline Bradbury-Jones, Louise Isham, 2021-02-17 This edited book brings together the voices and insights of survivors practitioners educators and researchers working to prevent and minimise the harms of gender based violence with a specific focus on equipping health professionals and social workers to support victim survivors Practitioners can and often do play a critical role supporting victim survivors of gender based violence however this work has historically been carried out by those in specialist roles and there remains gaps and inconsistencies in education and training for qualifying and post qualified professionals This book makes a valuable contribution to addressing these gaps It provides practitioners with a comprehensive resource on contemporary debates and research in the field of gender based violence To support readers learning each chapter contains reflective exercises and draws clear links between research theory and practice The book is structured into four sections The first section considers the rise of gender based violence in policy and practice and questions to what extent this once marginalised perspective has become embedded in health and social work training and education The second section of the book explores some of the expressions contexts and implications of gender based violence Each chapter considers the role of health care professionals and social workers and invites the reader to reflect on their potential role in these areas The third section of the collection focuses on one of the most common forms of gender based violence that health and social work professionals are likely to encounter physical psychological sexual and financial violence by an intimate partner who may also be a parent Finally the fourth section showcases innovative responses to supporting victim survivors and challenging systems that contribute to gender inequality The intention of this book is to equip health care professionals and social workers with critical practical and ethical resources to help them work with victim survivors and where possible engage in transformative efforts to end the harms of gendered inequalities and violence

Governance and Sustainable Development in South Asia Habib Zafarullah, Fara Azmat, 2024-11-01 This edited volume analyzes South Asian public administration and its role in development through the lens of SDG 16 Chapters explore how SDG 16 has influenced the development of effective and

accountable public institutions and the initiatives taken within this region to promote an inclusive society provide access to justice for all and build effective accountable and inclusive institutions at all levels Each case presented offers best practices the challenges faced and the opportunities SDG 16 provides for regional and national development as well as valuable insights into the transfer of knowledge and learning within the South Asian region and for broader South South and South North exchange The book is intended for policymakers businesses civil society organizations as well as academics across research fields spanning management social innovation and corporate sustainability who are pursuing research on public administration governance and the SDG Agenda

The Supply Chain: A System in Crisis Stefan Gold,Andreas Wieland,2024-04-12 The Supply Chain A System in Crisis highlights the multifaceted challenges facing modern supply chains It examines the concept of a globalized economy juxtaposing the promise of prosperity with the acute reality of worker exploitation and environmental harm

The Impact of Lateral Leadership as a Management Tool Sascha Klein,2020-11-16 All companies rely on committed and loyal employees to reach their goals However we know little about how exactly the mechanisms of leadership influence the job involvement of employees This study focused on the established leadership model of lateral leadership by investigating the underlying forces of lateral leadership and developed a practical recommendation for its use We empirically demonstrated which forces constitute the base of the lateral leadership model how they interact with each other and how much impact the forces have on the performance variables of job involvement and organisational commitment

Upper Echelons' Naturalistic Decision-Making and Top Management Team Macrocognition in a High Reliability Organization Leonie Looser,2024-04-29 The book analyzes crisis decision making of a major German airline s operational top management team during the Covid 19 crisis The operational top manager s relevant decision making entity the crisis management team was faced with substantial time critical decisions in volatile circumstances as well as the need to balance ambidextrous exigencies with the operation s short term survival as well as its future viability The author applies her ethnographic perspective and develops an analysis based on the unique combination of naturalistic decision making top management team research high reliability organizations and ambidexterity as well as team diversity The work is targeted at both management professionals as it identifies best practices and learnings from a polycrisis case as well as researchers as it makes a novel contribution to decision making in the context of high reliability organizations

Handbook of Research on Gender and Leadership Susan R. Madsen,2024-01-18 Although some progress has been made in recent decades in getting women into top positions in government business and education there are persisting challenges with efforts to improve opportunities for women in leadership This essential second edition of the Handbook of Research on Gender and Leadership comprises the latest research from the world s foremost scholars on women and leadership exposing problems and offering both theoretical and practical solutions on strengthening the impact of women worldwide

Tourism and Gender-based Violence Paola Vizcaino,Heather Jeffrey,Claudia Eger,2020-08-14 This book focuses on the multiple and interconnected

manifestations of violence that women girls encounter in tourism consumption and production while seeking to open the debate on violence against sexual minorities LGBT and discussing men boys as victims and perpetrators of GBV Rentz's Student Affairs Practice in Higher Education (6ed) Naijian Zhang & Associates, 2024-03-22 Rentz's Student Affairs Practice in Higher Education introduces readers to the functions of all student affairs services on college campus and to the nuts and bolts on what student affairs professionals in each specific area do to achieve their goals of providing students with meaningful collegiate experiences and accomplish the institution's mission. The book not only includes the evolution of student affairs but also how its philosophy and theories are integrated into its practice. By reading this edition, experienced student affairs professionals will acquire a thorough understanding of each student affairs service on college university campus and increase their competence in practice. This new sixth edition has 17 chapters which include the philosophical heritage of student affairs, historical perspective of higher education and student affairs, admissions to enrollment management, academic advising, career services, counseling centers, student conduct, multicultural affairs and special support services, orientation, residence halls, student life programs, fraternity and sorority life, collegiate recreation, financial aid, student learning assessment, health services, and future of student affairs. It has been integrated with the most recent literature on student affairs development, especially how the global pandemic has impacted the practice of student affairs in higher education and how the social, political and economic dynamics at the national level have influenced the climate of college and university campus as well as the most recent professional standards. A unique feature of the book is that its contributors are expert practitioners and scholars. Through this book, student affairs professionals will learn knowledge and wisdom not only from the current generation in student affairs but also from the generations many years in the past. The sixth edition has advanced the knowledge base of student affairs while inheriting its values and missions for higher education.

Sexual and Gender-Based Violence Veronica Ades, 2020-03-27 This book is an accessible guide to caring for survivors of sexual and gender based violence (SGBV). Sexual violence is broadly defined in order to include sexual assault but also often forgotten subjects such as female genital cutting, sex trafficking and military sexual violence. The average practitioner, gynecologist or otherwise, will undoubtedly encounter a victim of some sexual violence during their time in practice, and this guide is designed to answer all questions on how to approach, treat and understand a survivor of sexual violence. Written by a multidisciplinary team of medical, psychological and legal experts, the book is organized into four sections. The first section begins with a scholarly analysis of trauma and how to discuss that trauma with patients. The second section covers types of violence and populations at risk, including intimate partner violence, sex trafficking and LGBTQ considerations. The third section provides critical focus on the examination procedure, providing strategies for speaking to survivors and conducting a sensitive medical examination. Within each of these chapters, the reader will find experts sharing their tips, best practices and understandings of exactly how trauma affects care. The final section covers medicolegal legal issues, providing a basic

introduction to general legal processes regarding sexual violence matters in the US in order to serve as a resource for any practitioner presented with legal questions by a patient This book gives a comprehensive overview of clinical care for survivors of SGBV The clinical focus of this book goes beyond emergency room and crisis intervention protocol described in other books and makes it an ideal guide for all general health practitioners treating this population Understanding Gender Based Violence Nadia Aghtaie,Geetanjali Gangoli,2014-08-21 This book aims to bring together the pioneering research on gender based violence that has been conducted by the Centre for Gender and Violence Research at the School for Policy Studies University of Bristol Topics discussed include violence in young people s relationships prostitution policy disabled women s experiences of domestic violence men as victims of domestic violence feminist movements and methodological concerns This book will have a wide appeal as each individual chapter builds on and contributes to existing global and national concerns about gender based violence The book starts with an exploration of key theoretical conceptual and methodological issues in researching gender based violence then moves on to look at specific national UK based empirical studies The final section brings together a wide range of research from diverse contexts ranging from China Iran India and refugee camps in Rwanda The book will be an invaluable resource for researchers students and practitioners who have an interest in this area as well as for policymakers around the world It will also be of interest to the general reader who wants to learn more about what is now a highly topical issue **Genderwashing in Leadership** Rita A. Gardiner,Wendy Fox-Kirk,Carole J. Elliott,Valerie Stead,2024-08-28 International scholars from diverse areas such as leadership organizational studies sociology and education explore how genderwashing occurs from various perspectives including leadership power and privilege identity and career recruitment and selection A Leadership Paradigm Shift to 'Eclectic Leadership' Michael Hagemann,2023-05-12 The objective of this book is to develop leadership principles from two directions the scientific and the practical perspective that are both application oriented and universally applicable as well as effective and flow into a holistic leadership framework Both the hermeneutic and the empirical analysis show that the basic principles of holistic application oriented universally applicable and effective leadership can be described with the duality of transactional management and transformational leadership principles taking into account core traits and alignment with follower needs These in turn lead to a collection of essential principles of effective leadership known as the eclectic leadership framework The essential finding is that the basic principles are complementary and that a clear focus on people and their needs is the most effective way to lead **Handbook on Sex, Gender and Health** M. Sivakami,Anjana Bhushan,Sabina Faiz Rashid,Kausar S. Khan,2025-01-27 This Handbook is the first of its kind addressing gender issues in health in five countries of the South Asian Region namely Bangladesh India Pakistan and Sri Lanka Adopting a social determinant of health perspective and an intersectionality and diversity lens the Handbook illustrates the multi layered complexities of gender health and well being from the diverse perspectives and lived experiences in different South Asian

countries It includes studies on under researched and often invisible marginalized populations such as LGBTQI populations urban poor persons living with disability migrant and conflict affected populations It represents the voices of the elderly adolescents and young people It goes beyond analyzing the problem of gender inequities in health and present examples of gender transformative policies programmes and social movement action It is an essential resource for researchers policy makers students in public health and community based organizations involved in research policies or programs related to sex work public health social justice and gender based violence

Applying Anthropology to Gender-Based Violence Hillary J. Haldane, Jennifer R. Wies, 2015-08-20 Applying Anthropology to Gender Based Violence Global Responses Local Practices addresses the gaps in theory methods and practices that are currently used to engage the problem of gender based violence This book complements the work carried out in the legal human services and health fields by demonstrating how a focus on local issues and responses can better inform a collaborative global response to the problem of gender based violence With chapters covering Africa Asia Latin and North America and Oceania the volume illustrates the various ways scholars practitioners frontline workers and policy makers can work together to end violence in their local communities The chapters in this volume provide ample evidence that top down responses to violence have been inadequate and that solutions are available when the local historical political and social context is taken into consideration Applying Anthropology to Gender Based Violence contains useful insights that when combined with the efforts of other disciplines offer solutions to the problem of gender based violence

Child Behavioral Health in Sub-Saharan Africa Fred M. Ssewamala, Ozge Sensoy Bahar, Mary M. McKay, 2021-11-22 This book highlights the emerging research and policy development efforts to address child and adolescent behavioral health in Sub Saharan Africa where mental health policy is at an early stage and in need of context specific attention to its successes and shortcomings A diverse range of researchers with expertise on relevant policy in both the region as a whole and country specific contexts including Ghana Kenya Nigeria Rwanda South Africa and Uganda outline theoretically informed culturally appropriate evidence based and youth and family focused service models The first work of its kind with an exclusive focus on the understudied region of Sub Saharan Africa this text Provides an overview of the current state of child and adolescent behavioral health in the region Evaluates empirical work on risk and protective factors influencing behavioral outcomes Highlights emerging intervention research and dialogue on what works to improve child and adolescent behavioral health Offers insight and strategies on how to advance child and adolescent behavioral health in policy research and practice Child Behavioral Health in Sub Saharan Africa Towards Evidence Generation and Policy Development is a unique reference that offers guidance for current and future policy makers researchers practitioners and students as they seek to invest and engage in the healthy development of a future generation

The SAGE Encyclopedia of Psychology and Gender Kevin L. Nadal, 2017-04-15 The SAGE Encyclopedia of Psychology and Gender is an innovative exploration of the intersection of gender and psychology topics that resonate across disciplines and inform our

everyday lives This encyclopedia looks at issues of gender identity and psychological processes at the individual as well as the societal level exploring topics such as how gender intersects with developmental processes both in infancy and childhood and throughout later life stages the evolution of feminism and the men s movement the ways in which gender can affect psychological outcomes and influence behavior and more With articles written by experts across a variety of disciplines this encyclopedia delivers insights on the psychology of gender through the lens of developmental science social science clinical and counseling psychology sociology and more This encyclopedia will provide librarians students and professionals with ready access to up to date information that informs some of today s key contemporary issues and debates These are the sorts of questions we plan for this encyclopedia to address What is gender nonconformity What are some of the evolutionary sex differences between men and women How does gender based workplace harassment affect health outcomes How are gender roles viewed in different cultures What is third wave feminism
