Managing My Life: My Autobiography Alex Ferguson, 2011-12-08 This book is about the beginning of Sir Alex's football career until the year 2000 1999 was an outstanding year for Alex Ferguson not only did he lead Manchester United the most glamorous club in the world to a unique and outstanding treble triumph but he was awarded the highest honour for his sporting achievements a Knighthood from the Queen Universally respected for his tough but caring managerial style Ferguson is an unusually intelligent man with a fascinating life story Covering his tough Govan upbringing through to his playing days and onto his shift into management Managing My Life is told with the fine balance of biting controversy and human sensitivity which made it such an unprecedented success in hardback Alex Ferguson is a legend in his lifetime

Alex Ferguson Alex Ferguson, Hugh McLivnanney, 2005 In this autobiography of Ferguson we discover how he runs the Manchester United Football players with a rod of iron For all of this he is respected for his managerial style and for the way he cares for the welfare of his players Even the Defeats John Silk, 2020-10-19 Even the Defeats is the story of how painful moments in Sir Alex Ferguson's early reign inspired him to lead Manchester United to some of their greatest successes A heavy 5-1 loss at Manchester City in Ferguson's early tenure led pundits and supporters to question the Scot's position but by the season's end he was holding aloft his first trophy at the club the FA Cup This trend continued when an end of season collapse handed Leeds United the league title in the spring of 1992 only to galvanise United to their first championship in 26 years the very next year From struggles in Europe to winning the treble from losing the title on goal difference to their city rivals to winning the Premier League in Ferguson's final season in charge rising from the depths of despair to achieve glory and using failure to fuel success was arguably Sir Alex's greatest strength John Silk brings you the inside story of what made Ferguson tick with views from players coaches and other members of staff from the great Scot's reign Second Yellow John Smith, 2020-09-21 Second Yellow More Adventures of our Footballing Heroes brings you more funny fascinating and downright baffling tales gleaned by authors John Smith and Dan Trelfer from their unflagging research of over 240 footballer autobiographies Together they have pored through the works of genuine legends cult heroes and players they can only dimly recall from their 1983 Panini sticker albums to find stories and facts that will delight shock and confuse sometimes all at once There's the chairman who owned a ventriloquist's dummy called Algernon There's the Liverpool legend who set a teammate's wife's hair on fire There's the Arsenal star who confronted some innocent fans with a samurai sword And there's the Ipswich hero who took on Sylvester Stallone in an arm wrestling contest possibly inspiring Stallone's half forgotten epic Over The Top This book covers all the bases of the typical footballer's life love violence gambling horrific injury banter it's mostly banter and apparently pigeons *ALEX FERGUSON: My Autobiography* Alex Ferguson, 2013-10-24 The Million Copy Bestseller Sir Alex Ferguson's reflects on his remarkable managerial career where he embraced unprecedented European success for Aberdeen and 26 triumphant seasons with Manchester United What readers are saying about Alex Ferguson's My

Autobiography The greatest manager of a generation No matter the team you support this is a must read Incredible I couldn't put it down _____ For over two decades Sir Alex Ferguson dominated the Premier League overseeing a sustained and unparalleled period of success with Manchester United He was a visionary able to move with the times and build title winning teams both on and off the pitch He was a man manager of phenomenal skill and increasingly he had to deal with global stars His relationship with Cristiano Ronaldo for instance was excellent and David Beckham has described Sir Alex as a father figure In his bestselling autobiography Sir Alex reflects on the highlights of his extraordinary career and reveals his remarkable story from his very early days in the tough shipyard areas of Govan to winning the Champions league in Moscow in 2008 Revised and updated this edition offers reflections on events at Manchester United since his retirement and offers fresh insights and details on his final years as United's manager _____ Fascinating Evening Standard His book is really a piece of oral history and his life is a conduit to a time when a working class man of talent could not by the magical alchemy of elite education or the stardust of celebrity but by a lifetime of hard work and hard thinking rise to the very top and flaws aside remain true to the best of the world he came from Guardian **All the Days of My Life: an Autobiography** Amelia
