Library of Congress

Manual De Historia Dominicana Frank Moya Pons:

Manual de historia dominicana Frank Moya Pons,2013 **El enigma de las máscaras** Nívea de Lourdes Torres Hernández,2002 **Nation Building, State Building, and Economic Development** Sarah C.M. Paine,2015-01-28 Why do some countries remain poor and dysfunctional while others thrive and become affluent The expert contributors to this volume seek to identify reasons why prosperity has increased rapidly in some countries but not others by constructing and comparing cases The case studies focus on the processes of nation building state building and economic development in comparably situated countries over the past hundred years Part I considers the colonial legacy of India Algeria the Philippines and Manchuria In Part II the analysis shifts to the anticolonial development strategies of Soviet Russia Atatürk s Turkey Mao s China and Nasser s Egypt Part III is devoted to paired cases in which ostensibly similar environments yielded very different outcomes Haiti and the Dominican Republic Jordan and Israel the Republic of the Congo and neighboring Gabon North Korea and South Korea and Papua New Guinea and Indonesia All the studies examine the combined constraints and opportunities facing policy makers their policy objectives and the effectiveness of their strategies The concluding chapter distills what these cases can tell us about successful development with findings that do not validate the conventional wisdom

Christianity in the Caribbean Armando Lampe,2001 This is a collection of essays on the history of Christianity and the role of the Church in the processes of colonization and decolonization in the Caribbean They look at the relationships that existed among slavery colonialism and Catholicism **The Imagined Island** Pedro L. San Miguel,2006-05-18 In a landmark study of history power and identity in the Caribbean Pedro L San Miguel examines the historiography of Hispaniola the West Indian island shared by Haiti and the Dominican Republic He argues that the national identities of and often the tense relations between citizens of these two nations are the result of imaginary contrasts between the two nations drawn by historians intellectuals and writers Covering five centuries and key intellectual figures from each country San Miguel bridges literature history and ethnography to locate the origins of racial ethnic and national identity on the island He finds that Haiti was often portrayed by Dominicans as the other first as a utopian slave society then as a barbaric state and enemy to the Dominican Republic Although most of the Dominican population is mulatto and black Dominican citizens tended to emphasize their Spanish white roots essentially silencing the political voice of the Dominican majority San Miguel argues This pioneering work in Caribbean and Latin American historiography originally published in Puerto Rico in 1997 is now available in English for the first time **Multicultural America** Ronald H. Bayor,2011-07-22 This encyclopedia contains 50 thorough profiles of the most numerically significant immigrant groups now making their homes in the United States telling the story of our newest immigrants and introducing them to their fellow Americans One of the main reasons the United States has evolved so quickly and radically in the last 100 years is the large number of ethnically diverse immigrants that have become part of its population People from every area of the world have come to America in an effort to realize their dreams of more

opportunity and better lives either for themselves or for their children This book provides a fascinating picture of the lives of immigrants from 50 countries who have contributed substantially to the diversity of the United States exploring all aspects of the immigrants lives in the old world as well as the new Each essay explains why these people have come to the United States how they have adjusted to and integrated into American society and what portends for their future Accounts of the experiences of the second generation and the effects of relations between the United States and the sending country round out these unusually rich and demographically detailed portraits **Haitian-Dominican Counterpoint** E.

Matibag,2003-05-16 What would the island of Hispaniola look like if viewed as a loosely connected system That is the question Haitian Dominican Counterpoint seeks to answer as it surveys the insular space shared by Haiti and the Dominican Republic throughout their parallel histories For beneath the familiar tale of hostilities the systemic perspective reveals a lesser known unitarian narrative of interdependencies and reciprocal influences shaping each country sidentity In view of the sociocultural and economic linkages connecting the two countries their relations would have to resemble not so much a cockfight the conventional metaphor as a serial and polyrhythmic counterpoint **Manual de historia crítica**

dominicana Juan Francisco Martínez Almánzar,1998 **Historia de la República Dominicana** Frank Moya Pons,2010

Nation & Citizen in the Dominican Republic, 1880-1916 Teresita Martínez Vergne,2005 Combining intellectual and social history Teresita Martnez Vergne explores the processes by which people in the Dominican Republic began to hammer out a common sense of purpose and a modern national identity at the end of the nineteenth and beginning of Dominican Republic Kai P. Schoenhals,1990 **Dominican Creole Emigration: 1791-1861** William Javier Nelson,1988

Ausstellungskat Elizabeth Ferrer,Edward J. Sullivan,Suzanne L. Stratton,Spanish Institute (New York, N.Y.),1996 Dist for Americas Society and the Spanish Inst Exhibition catalog **National Union Catalog** ,1983 Includes entries for maps and atlases **Dominican Studies** ,1997 **The Hispanic Caribbean Between Empires, 1840-1868** Luis

Martínez-Fernández,1990 **La poesía dominicana en el siglo XX** Alberto Baeza Flores,1977 Encyclopedia of Latin American History and Culture Barbara A. Tenenbaum,1996 Strives to organize knowledge of the region It contains nearly 500 separate articles Most topics appear in English alphabetical order **Revista Interamericana** ,1992 **Subject Catalog** Library of Congress,
