A Companion to Comparative Theology, 2022-08-22 A Companion to Comparative Theology offers a unique survey of a rapidly developing field of modern theology in 32 chapters coordinated by five editors Its first part discusses some of the main historical developments in theology and religious studies before 1985 that are relevant for understanding contemporary approaches in comparative theology The main part of the companion traces developments in five specific areas of comparative research starting with classical approaches by Christian comparative theologians and continuing with responses by scholars from Jewish Islamic Hindu Buddhist and Chinese religious comparative perspectives The final part of the companion highlights a number of new avenues in comparative theology discussing new methods new forms of awareness new partnerships with other fields of study and finally some preliminary conclusions Contributors are Nadeen Mustafa A Alsulaimi Mar a Enid Barga Bede Benjamin Bidlack Andr van der Braak Francis X Clooney Catherine Cornille Jonathan Edelmann Marianne Farina James L Fredericks Rouyan Gu Paul Hedges Holly Hilgardner Daniel Joslyn Siemiatkoski Louis Komjathy Christian S Krokus LAI Pan chiu Kristin Johnston Largen John Makransky Jerry L Martin Vahid Mahdavi Mehr Marianne Moyaert Emmanuel Nathan Robert Cummings Neville Hugh Nicholson Jerusha Tanner Rhodes Devorah Schoenfeld Klaus von Stosch Axel Marc Oaks Takacs Pim Valkenberg Maureen L Walsh Kijin James Wu

The Oxford Handbook of Christianity in Asia Felix Wilfred, 2014 Named by the International Bulletin of Missionary Studies as an Outstanding Book of 2014 for Mission Studies Despite the ongoing global expansion of Christianity there remains a lack of comprehensive scholarship on its development in Asia This volume fills the gap by exploring the world of Asian Christianity and its manifold expressions including worship theology spirituality inter religious relations interventions in society and mission The contributors from over twenty countries deconstruct many of the widespread misconceptions and interpretations of Christianity in Asia They analyze how the growth of Christian beliefs throughout the continent is linked with the socio political and cultural processes of colonization decolonization modernization democratization identity construction of social groups and various social movements With a particular focus on inter religious encounters and emerging theological and spiritual paradigms the volume provides alternative frames for understanding the phenomenon of conversion and studies

how the scriptures of other religious traditions are used in the practice of Christianity within Asia Controversies in Contemporary Religion Paul Hedges, 2014-09-09 Religious or spiritual beliefs underpin many controversies and conflicts in the contemporary world Written by a range of scholarly contributors this three volume set provides contextual background information and detailed explanations of religious controversies across the globe Controversies in Contemporary Religion Education Law Politics Society and Spirituality is a three volume set that addresses a wide variety of current religious issues analyzing religion's role in the rise of fundamentalism censorship human rights environmentalism and sustainability sexuality bioethics and other questions of widespread interest Providing in depth context and analysis far beyond what's available in the news or online this work will enable readers to understand the nature of and reasons for controversies in current headlines The first volume covers theoretical and academic debates the second looks at debates in the public square and ethical issues while the third examines specific issues and case studies These volumes bring detailed and careful debate of a range of controversies together in one place including topics not often covered for example how religions promote or hinder social cohesion and peace the relationship of religions to human rights and the intersection of Buddhism and violence Written by a range of experts that includes both established and emerging scholars the text explains key debates in ways that are accessible and easy to understand for lay readers as well as undergraduate students researching particular issues or global religious trends **Finding All Things in God** Hans Gustafson, 2015-12-04 Hans Gustafson proposes pansacramentalism as holding potential for finding the divine in all things and all things in the divine which carries significant inherent interreligious implications especially for doing theology Presupposing the challenge of doing theology divorced from spirituality lived religious experience he presents pansacramentalism as a bridge between the two In so doing Gustafson offers a history of spirituality and sketches the foundations of a classical approach to sacramentality through Aquinas and a contemporary approach to the same through Rahner and Chauvet By presenting three fascinating case studies this book offers particular instances of sacramentality in lived religious experience i.e. sacramental spirituality These case studies draw on Thomas Merton and place Nicholas Black Elk and multiple religious identity and Fyodor Dostoevsky and Wendell Berry and literature The book culminates by constructing a philosophy of sacramental mediation and criteriology of sacrament b engaging panentheism and the suffering of God and world and c proposing panentheistic pansacramentalism as a new model for understanding the divine world relationship set in the context of a pansacramental theology of religious pluralism Finally a method for doing theology interreligiously is offered based on the overall content of the book and within the context of the interdisciplinary field of interreligious studies **Understanding Interreligious Relations** David Cheetham, Douglas Pratt, David Richard Thomas, David Thomas, 2013-11 Understanding Interreligious Relations is a multi authored volume that explores the theme of the religious other from the perspective of five major religions Hinduism Judaism Buddhism Christianity and Islam and discusses a range of issues in which interreligious relations are central These include conversion

the impact and nature of religious extremism the contemporary development of inter religious dialogue the dynamics operating between majority and minority religious groups belonging to more than one religion or faith tradition examples of cross religious co operation religion in the public domain and the task of peace building among others In a religiously plural world how different religious communities get along with one another is not just an academic question it is very much a focus of socio political and wider community attention The challenge to understand interreligious relations is of critical importance in today s world Satya Nilayam ,2002 **Being Religious Interreligiously** Peter C. Phan,2004 Vietnamese American Peter Phan reflects on cultural diversity in spiritual life focussing on the question of how much uniformity people will tolerate in life liturgy denominational self definition **Thought the Harder, Heart the Keener** Eduardo Jose E.
