Assamese Horror Story :

Trends in Contemporary Assamese Theatre Namrata Pathak, 2015-03-27 It is the very nature of representation to be theatrical and self referential This book undercuts the fact that all representational knowledge is autonomous and sovereign At times theatrical representations can misguide and mislead Representation can also ineluctably project ones own preferences and preoccupations Thus representation and subjective interpretation divulge into myriad domains This book is concerned with the effects and consequences of representation and its politics This book examines not only how language as well as representation produce meaning but also how discursive knowledge connected to power regulates conducts and constructs identities and defines the way certain things are thought about practices and are studied The book takes note of the fact that within the framework of performance a performative subject does not wear a coherent identity as it is fragmented decentered simulated and is unstable while being both virtual as well as actual In the field of semiotics theatre is historically and reciprocally affected by practice especially within contingent conditions of time In theatre semiotics the new image of knowledge is that of turbulence Here knowledge is not so much a system as it is a confluence Carrying this stance further we can say that contemporary Assamese theatre is characterised by shifting counter voices and sub textual underpinnings This act forces reading into two directions dialogic openness and variability of meaning that question the theatre directors as the only ones who know **Baak** Neil D'Silva, 2021-03-10 A thief and a lover are on the run To hide their loot they will have to cross a river But this is no ordinary river Its dark unforgiving waters are rife with the rumours of a local legend The legend of a ghoulish who knows no mercy Will the couple be successful in their getaway Or will their destiny lead them to an encounter with the deadly shambler of the deep From the devious mind of India's most prolific horror writer Neil D Silva comes this bone chilling horror story inspired by an Assamese local legend *The Story of Felanee* Arupa Patangia Kalita, 2013-07-22 The Story of Felanee is based on real life events It is a story of courage of survival of ethnic conflict and violence that tears people and communities apart in the most brutal savage way Set in Assam which has seen two major agitations that have crippled the economy this is a story that will shock the reader by its sheer passion and its brutal honesty The callousness and utter disregard for human life the ugly play for power for electoral gain the sham and petty hypocrisies the bloody horror of ethnic violence all lie exposed in this powerful novel written by one of Assam's leading fiction writers The story revolves around the experiences of one woman Felanee Her name means thrown away so called because as her mother lay dying in the burning riot torn village Felanee was thrown into a swamp and left to die But against all odds Felanee and thousands like her survived Like the reeds that grow in such profusion along the bank of Assam's rivers the rootless inhabitants of the refugee camps and makeshift shanties whose stories form the core of Felanee are swept along by the wind and thrown onto new hostile terrain but they cling on with tenacity to take root again and again Published by Zubaan Masterpieces of Indian Literature: Assamese, Bengali, English, Gujarati, Hindi, Kannada, Kashmiri, Konkani &
