Assamese Love Letter To Girlfriend:

Drum ,1972 Assamese Letter Tracing and Coloring Book for Kids Vowels Second Teacher,2020-10-12 Dear Parents

The language is a basic characteristic which constitutes one's own representation of who you are. Some children may feel that using English as a common language it won't matter whether they learn ASSAMESE or not. It happens that your child might just stop speaking assamese leading to identity change. Since a child's assamese language skills are lacking they will not be able to interact well in assamese as they do in English. How can parents support their child's learning process? Here the solution is. This book enables your kids to practice and learn letters/words in an interesting way. Content of the book: For each letter there will be two pages. 1st page has an outline of an assamese vowel letter with the image that starts with that letter name in assamese/English with the phonics of assamese name and image. The children can color the letter and images that are allocated for each number. 2nd page is for practicing the letter. This book has a similar setup for all the vowels. Last 4-5 pages contain all vowels in single paper with space for further practice. That looks like a great start, right? Hope your kids will learn something useful in the meantime. Let us gift a meaningful book as a gift to our kids. If you loved the book, we request you to take a moment to review it. It helps in further progression for our future works. Thanks for your support. Team SECOND TEACHER
