Back from Tuichi Yossi Ghinsberg,1993 A riveting adventure story about four men and their trip down the uncharted waters of the Tuichi River and of one man's fight for survival in the rainforests of the Amazonian jungle Surviving Survival: The Art and Science of Resilience Laurence Gonzales,2012-09-10 A traumatic or near death experience can change every aspect of the survivor's being It can erase the body's learned adaptations and in some cases those who live through such a shock suffer more in the aftermath than they did during the actual crisis In all cases they must work hard to reinvent themselves Combining harrowing tales of survival with lucid explanations of the science behind the body's reactions to trauma *Surviving Survival* offers a valuable and intriguing argument about the adaptability of the human spirit *National Geographic Traveler* *Discover the Amazon* Lauri Berkenkamp,2008-12-01 From avoiding predators to navigating through the jungle without a compass this innovative guide provides kids with the vital tools one would need if lost in the Amazon Offering practical survival techniques based on real stories children will learn lessons that can be adapted to almost any outdoor situation such as making fire deciphering animal tracks and using the natural world for all to create necessary supplies Opening with an informative section on the region and its people this essential resource combines history and science in a fun and engaging way Facts and sidebars on the local creatures and plants are interspersed along with 15 activities for the home or classroom from making a fishing spear to determining how much water is needed to stay healthy

Reading Programs for Young Adults Martha Seif Simpson,2015-11-16 School and public libraries often provide programs and activities for children in preschool through the sixth grade but there is little available to young adults For them libraries become a place for work the place to research an assignment or find a book for a report but the thought of the library as a place for enjoyment is lost So how do librarians recapture the interest of teenagers This just might be the answer Here you will find theme based units such as Cartoon Cavalcade Log On at the Library Go in Style Cruising the Mall Space Shots Teens on TV and 44 others that are designed for young adults Each includes a display idea suggestions for local sponsorship of prizes a program game to encourage participation 10 theme related activities curriculum tie in activities sample questions for use in trivia games or scavenger hunts ideas for activity sheets a bibliography of related works and a list of theme related films The units are highly flexible allowing any public or school library to adapt them to their particular needs The Rough Guide to Bolivia James Read,2002 *Back from Tuichi* Yossi Ghinsberg,1993 A riveting adventure story about four men and their trip down the uncharted waters of the Tuichi River and of one man's fight for survival in the rainforests of the Amazonian jungle *An Insider's Guide to Bolivia* Sarah Johnson,Diane Rothschild,2003 Book Review Digest ,1995
