Canadiana ,1991 **Learning Guide [to] "Business", Fifth Canadian Edition** Frances L. Tuer,2005 **Canadian Books in Print** ,1997 *Computerworld* ,1995-06-19 For more than 40 years Computerworld has been the leading source of technology news and information for IT influencers worldwide Computerworld s award winning Web site Computerworld com twice monthly publication focused conference series and custom research form the hub of the world s largest global IT media network Management: the Essentials Stephen Robbins,David De Cenzo,Mary Coulter,Megan Woods,2013-08-28 Robbins Management The Essentials covers the concepts essential to management in the 21st century in a fresh lively format that s perfectly suited to a typical university semester The second edition features new and in depth coverage of sustainability ethics and corporate social responsibility and new case studies from local and international businesses *The Business Year: Angola 2023* , The Business Year Angola 2023 produced with the support of AIPEX and the Chamber of Commerce and Industry of Angola features interview articles and analysis over 200 pages **Law and Regulation of Mobile Payment Systems** Joy Malala,2017-11-28 Over the last ten years mobile payment systems have revolutionised banking in some countries in Africa In Kenya the introduction of M Pesa a new financial services model has transformed the banking and financial services industry Giving the unbanked majority access to the financial services market it has attracted over 18 million subscribers which is remarkable given that fewer than 4 million people in Kenya have bank accounts This book addresses the legal and regulatory issues arising out of the introduction of M Pesa in Kenya and its drive towards financial inclusion It considers the interaction between regulation and technological innovation with a particular focus on the regulatory tools institutional arrangements and government decisional processes through the examination as a whole of its regulatory capacity This is done with a view to understanding the regulatory capacity of Kenya in addressing the vulnerabilities presented by technological innovation in the financial industry for consumers after financial inclusion It also examines the way that mobile payments have been regulated by criticising the piecemeal approach that the Central Bank of Kenya has taken in addressing the legal and regulatory issues presented by mobile payments The book argues there are significant gaps in the regulatory regime of mobile banking in Kenya *The Dynamics of Corporate Social Responsibilities* Radu Mares,2007-12-31 This book proposes that the responsible business practices of leading companies are significant not only as isolated instances of self regulation but that they also contribute to a broader rule making process which has been underway in the last decade and is aimed at making business more responsive to human rights and environmental concerns The flexibility of existing laws as well as the emergence of new regulations relevant to corporate social responsibility CSR are highlighted As CSR increasingly interacts with public policy some insufficiently understood effects of CSR appear that can help us advance toward more systemic solutions in the business and human rights area This study identifies variables that states can stimulate through a wide range of interventions ranging from capacity building measures to policy to hard law so

that responsible practices get diffused more broadly and deeply in the business community The intended audiences are legal experts with an interest in enhancing the protection of human rights in developing countries and CSR theorists and practitioners mindful of the broader social dynamics that surround the implementation of CSR commitments
