

CALMING 5 MINUTE RIVER MEDITATION

If you're feeling overwhelmed, stop for five minutes. Find a quiet spot, sit down and place your feet on the floor.

STEP 1: *Start by simply focusing on your breath for a few moments.*

STEP 2: *Close your eyes and imagine your thoughts, tasks, "to do's" etc as a river raging around you.*

STEP 3: *Slowly begin to make the river calmer and calmer until it is a quiet, gently flowing stream.*

STEP 4: *Once it is a gentle stream, imagine it getting smaller and trickling into a beautiful, quiet, still pond.*

STEP 5: *Now you are ready to continue with your day - one thing at a time.*

Guided Meditation Scripts:

Guided Meditation Script Barclay J Fisher, 2020-02-12 If you choose to use one or more of these scripts to facilitate a guided meditation journey for others please preface the trip for them by reminding them that no longer all people see matters for the duration of a guided meditation This is very important because our purpose is for them to go a bit closer to their soul during the journey now not to supply them one more cause to consider they've failed In the years that I've been using these guided meditations many human beings have shared experiences with me where they weren't capable of seeing anything but they did hear something Or they felt the environment with imaginary kinesthetic touch Or they just had a deep sense of internal understanding about something all through the internal journey All of this is perfectly okay And as soon as in a while any person doesn't see hear sense or think about anything That's flawlessly okay as well Certain internal journeys simply don't fit with some people And sometimes a guided meditation desires to be listened to and experienced more than once to sufficiently loosen up and open up a person's inner world Also at the cease of facilitating one of these Inner Journeys please allow participants ample time to manner their experience You might favor to supply them several minutes to write in their journals or you may prefer to invite small group voluntary sharing It also may help to make yourself available afterward for a personal conversation about their journey within the meditation It's surely essential that every man or woman has a way to specific and combine the guided meditation experience For some people this capacity verbal sharing with others for others this potential time to absorb it quietly and in solitude into their very own reality Each of these Magical Inner Journeys was given to me as a direct present from Spirit I hope that you revel in experiencing them and facilitating them as a whole lot as I have And A Word About Inner Voices Our internal voices are additionally regarded as our internal parts or persona aspects I in my view like referring to mine as a Committee I sincerely think of a huge convention desk in an office building and everybody sitting around it are individual parts of ME that have something to say about what I do and who I am You may want to also suppose of it as your inner family and image them sitting around a huge dining room table And of course every family member has something to say an opinion to give
