Machiavelli E Guicciardini Pensiero Politico E Storiografia A Firenze Nel Cinquecento:

Machiavelli e Guicciardini Felix Gilbert, 2012-01 **Machiavelli on Liberty & Conflict** David Johnston, Nadia Urbinati, Camila Vergara, 2017-03-15 More than five hundred years after Machiavelli wrote *The Prince* his landmark treatise on the pragmatic application of power remains a pivot point for debates on political thought While scholars continue to investigate interpretations of *The Prince* in different contexts throughout history from the Renaissance to the Risorgimento and Italian unification other fruitful lines of research explore how Machiavelli's ideas about power and leadership can further our understanding of contemporary political circumstances With *Machiavelli on Liberty and Conflict* David Johnston Nadia Urbinati and Camila Vergara have brought together the most recent research on *The Prince* with contributions from many of the leading scholars of Machiavelli including Quentin Skinner Harvey Mansfield Erica Benner John McCormick and Giovanni Giorgini Organized into four sections the book focuses first on Machiavelli's place in the history of political thought Is he the last of the ancients or the creator of a new distinctly modern conception of politics And what might the answer to this question reveal about the impact of these disparate traditions on the founding of modern political philosophy The second section contrasts current understandings of Machiavelli's view of virtues in *The Prince* The relationship between political leaders popular power and liberty is another perennial problem in studies of Machiavelli and the third section develops several claims about that relationship Finally the fourth section explores the legacy of Machiavelli within the republican tradition of political thought and his relevance to enduring political issues *Francesco Guicciardini tra scienza etica e politica* Martino Michele Battaglia, 2013-11-29 La storia della filosofia politica del Cinquecento esprime con Francesco Guicciardini una delle sue figure pi rappresentative e una delle voci pi autorevoli nel panorama del pensiero europeo che hanno inciso sensibilmente sul dibattito etico politico del vecchio continente Uomo di governo e di molte altre faccende politiche e militari luogotenente di papa Leone X e di papa Clemente VII Guicciardini sconosciuto come scrittore in vita e per oltre venti anni dopo la morte in Italia e nella sua stessa citt non avendo mai pubblicato n fatto conoscere agli amici pi stretti neppure una sola pagina dei suoi scritti trov tardi posto tra i pi grandi scrittori italiani di fama europea Lo scopo precipuo di questa breve monografia su Francesco Guicciardini di cui quest anno ricorre il 530 anniversario della nascita quello di scandagliare il pensiero politico di uno storico obiettivo e scrupoloso solerte alle mutazioni relative alle varieguate situazioni politiche e culturali sviluppatesi tra XV e XVI secolo in Europa Pensatore che muove da una visione introspettiva legata all'uomo e alla storia sulla base di un ordine criteriato caratterizzato dalla concretezza delle sue idee e da un ampiezza di vedute che ritornano oggi pi che mai di grande attualit Guicciardini che per alcuni aspetti pu sembrare un personaggio estraneo alla sua epoca guarda al presente con i suoi problemi e le incomprensioni del momento ma contemporaneamente volge lo sguardo verso il futuro nella speranza di intravedere lo spiraglio giusto che gli consenta di trovare soluzioni adeguate ai problemi che costantemente assillano la vita di coloro che si assumono responsabilit politiche nell'ambito del quadro

evolutivo di una societ complessa come quella espressa dalla Firenze del tempo che ben si compara alla odierna situazione politica italiana

The French Descent into Renaissance Italy, 1494-95 David Abulafia, 2016-12-05 The French invasion of Italy under Charles VIII in 1494-95 has long been seen as inaugurating a new and wretched era in Italian history The present volume the work of an international team of contributors seeks to question that assumption by focusing anew on the intricate politics of Renaissance Italy and the long history of Angevin attempts to impose their rule in southern Italy It was later invasions it is argued that did most to reshape the politics of the Italian peninsula These studies also look at social and economic effects of the French invasion as well as its cultural aspects not least the impact of Renaissance culture in France itself Combining survey papers and research articles this volume presents a new introduction to the history of late 15th century Italy The appendix listing the Ilardi collection of microfilms will also provide an invaluable guide to the diplomatic history of the era

La pathologie du pouvoir: vices, crimes et délits des gouvernants Patrick Gilli, 2016-02-02 La singularité de la criminalité des gouvernants ou de leurs actes peccamineux réside dans la rareté des condamnations qu'ils ont subies En examinant sur la longue durée les formes de dénonciation de ces délits des hommes de pouvoir le livre essaie de comprendre les raisons qui aboutissent à la rupture du consensus et la remise en cause de l'acceptation sociale des traditions jusqu'alors tolérées corruption extorsion abus en tout genre Les différentes contributions examinent les conditions de ces condamnations morales et politiques et dessinent un tableau nuancé de ces pathologies du pouvoir qui loin d'être invariables dans le temps sont articulées aux paradigmes moraux de chaque société historique Les contributeurs sont Nathalie Barrandon Anne Catherine Baudoin Franck Collard Kathleen Crowther Angela De Benedictis Silvia Di Paolo Julien Dubouloz Patrick Gilli Cedric Giraud Thomas Granier Laurent Guitton Charles Guerin Corinne Manchio Nancy McLoughlin Hélène Marnard Richard Newhauser Flocel Sabat Armand Strubel Julien Thiry et Silvana Vecchio English What is singular about the criminality of rulers or their sinful acts is how rarely they are convicted Through a long term study of the forms of denunciation of crimes committed by those who hold power this book tries to understand the reasons that lead to breaking the consensus and calling into question the social acceptance of traditions which had hitherto been tolerated corruption extortion different types of abuse The various contributions investigate the moral and political conditions of these convictions and give a well balanced account of these pathologies of power far from being invariable over time they are consistent with the moral paradigms of each society in history

EC Law and the Sovereignty of the Member States in Direct Taxation Mathieu Isenbaert, 2010 In order to develop a suitable framework for the analysis of the European Court of Justice ECJ case law it is first analysed what significance if any the concept of sovereignty has in the contemporary supranational environment of the European Union All too often tax scholars equate sovereignty with the concepts of competence or jurisdiction It will be established in this thesis that a much more specific and higher level meaning is to be attributed to the sovereignty concept which goes beyond the strictly legal concepts of competence or jurisdiction The cornerstone of this thesis however is an

extensive analysis of the case law of the ECJ in direct tax matters including a comparison with its non tax case law A new kind of methodology is used in discussing the cases they are categorized according to whether a discrimination or a restriction based analysis was applied by the ECJ
