Making Up Megaboy:

Making Up Megaboy Virginia Walter, 1998 When thirteen year old Robbie shoots an old man in a liquor store everyone who knows the quiet withdrawn youth struggles to understand this act of seemingly random violence **Making Up Megaboy** , The Hidden Adult Perry Nodelman, 2008-09-30 What exactly is a children's book How is children's literature defined as a genre A leading scholar presents close readings of six classic stories to answer these questions and offer a clear definition of children's writing as a distinct literary form Perry Nodelman begins by considering the plots themes and structures of six works The Purple Jar Alice in Wonderland Dr Doolittle Henry Huggins The Snowy Day and Plain City all written for young people of varying ages in different times and places to identify shared characteristics He points out markers in each work that allow the adult reader to understand it as a children's story shedding light on ingrained adult assumptions and revealing the ways in which adult knowledge and experience remain hidden in apparently simple and innocent texts Nodelman then engages a wide range of views of children's literature from authors literary critics cultural theorists and specialists in education and information sciences Through this informed dialogue Nodelman develops a comprehensive theory of children's literature exploring its commonalities and shared themes The Hidden Adult is a focused and sophisticated analysis of children's literature and a major contribution to the theory and criticism of the genre

Connecting Theory and Practice in Middle School Literacy Jason DeHart, Carla K. Meyer, Katie Walker, 2021-12-27 Bringing together the voices of researchers and teachers this volume addresses how teachers connect theory to practice in the middle school English Language Arts education setting and explores how to teach and engage with young adults in a way that treats them as ethical and thoughtful citizens The book bridges the gap between educational theory and real world implementation and covers a range of timely topics in middle level education through a focus on text choice identity and practice Contributors acknowledge and balance the challenges associated with the reality of teaching including time constraints sudden shifts and fast paced work with real world guidance on key topics such as supporting multilingual students queering middle grade pedagogies teaching diverse texts examining racial bias in the classroom and critical digital literacy Ideal for courses on middle level education and literacy education this book encourages and equips pre service teachers to engage in meaningful conversations with their students that foster reflection and transformative learning

Pathways to Independence Jo Worthy, Karen Broaddus, Gay Ivey, 2001-04-20 This comprehensive text presents a core of research based approaches to engaging effective literacy instruction in the middle grades Methods and materials are described to foster reading skills content mastery and writing in different formats and for different purposes The authors emphasize the need to tailor instruction to the needs strengths skill levels and interests of diverse students They offer recommendations for reading lists that incorporate critically acclaimed fiction and nonfiction popular series books and other student friendly materials Special features include case studies examples of teaching and assessment activities and

commentary from middle school teachers and students Appendices contain reproducible forms and lists of recommended reading materials and resources

Reclaiming Reading Richard J. Meyer, Kathryn F. Whitmore, 2012-03-22 Inviting teachers back to the role of reflective advocates for thoughtful reading instruction this book presents theory and pedagogical possibilities to reclaim and build upon the knowledge base that was growing when government mandates scripted commercial programs and high stakes tests took over as the dominant agenda for reading instruction in U S public schools Focusing on literacy learners and their teachers lives as literate souls it examines how the teaching of reading can be reclaimed via an intensive reconsideration of five pillars as central to the teaching and learning of reading learning teaching curriculum language and sociocultural contexts Reclaiming Reading articulates the knowledge base that was marginalized or disrupted by legislated and policy intrusions into classrooms and provides practical examples for taking good reading instruction out of the cracks and moving it back to the center of the classroom Explaining what happens in readers minds as they read and how teachers can design practices to support that process this book encourages teachers to initiate pedagogy that will help them begin or return to the stance of reflective knowledgeable professional decision makers

Boys in Children's Literature and Popular Culture Annette Wannamaker, 2012-09-10 Boys in Children s Literature and Popular Culture proposes new theoretical frameworks for understanding the contradictory ways masculinity is represented in popular texts consumed by boys in the United States The popular texts boys like are often ignored by educators and scholars or are simply dismissed as garbage that boys should be discouraged from enjoying However examining and making visible the ways masculinity functions in these texts is vital to understanding the broad array of works that make up children s culture and form dominant versions of masculinity Such popular texts as Harry Potter Captain Underpants and Japanese manga and anime often perform rituals of subject formation in overtly grotesque ways that repulse adult readers and attract boys They often use depictions of the abject threats to bodily borders to blur the distinctions between what is outside the body and what is inside between what is I and what is not I Because of their reliance on depictions of the abject those popular texts that most vigorously perform exaggerated versions of masculinity also create opportunities to make dominant masculinity visible as a social construct
