

GLOBAL EDITION

Introducing ... *Managerial Accounting: Creating Value in a Global Business Environment, Global Edition*, by Hilton and Platt

We are pleased to present this Global Edition, which has been developed specifically to meet the needs of international managerial accounting students. In addition to the latest examples of both contemporary and traditional topics and new chapter summaries structured around learning objectives, new material has been added to make the content more relevant and improve learning outcomes for the international student.

Improvements to the Global Edition include:

- New Focus and Connect Companies highlighting managerial accounting issues faced around the world. Featured companies include H&M, L'Oréal, and Intel.
- New references to IFRS, as well as worldwide control regulations.
- Updated "Management Accounting Practice," "In Their Own Words," and "Focus on Ethics" feature boxes, which reflect a more global mix of companies and issues.
- Extended discussion of transfer pricing to include broader coverage of the role of international taxation in setting prices, and the role of national and supranational organizations in the regulation of the practice.
- Modified end-of-chapter material including new global company examples.
- Special Global Edition of Connect Plus Accounting, McGraw-Hill's web-based assignment and assessment platform with eBook access, which helps students learn faster, study more efficiently, and retain more knowledge.

This Global Edition has been adapted to meet the needs of courses outside of the United States and does not align with the instructor and student resources available with the U.S. edition.

Managerial Accounting Hilton Global Edition:

Ebook: Managerial Accounting - Global Edition Ronald Hilton, David Platt, 2014-09-16 We are pleased to present this Global Edition which has been developed specifically to acquaint students of business with the fundamental tools of managerial accounting and to promote their understanding of the dramatic ways in which business is changing. The emphasis is on teaching students to use accounting information to best manage an organization. Each chapter is written around a realistic business or focus company that guides the reader through the topics of that chapter. There is significant coverage of contemporary topics such as activity based costing, target costing, the value chain, customer profitability analysis and throughput costing while also including traditional topics such as job order costing, budgeting and performance evaluation. Many of the real world examples in the Management Accounting Practice boxes have been revised and updated to make them more current and several new examples have been added. This Global Edition has been adapted to meet the needs of courses outside the United States and does not align with the instructor and student resources available with the U.S. edition.
