Meant To Be Anchor Island 1 Terri Osburn:

Island Genres, Genre Islands Ralph Crane, Lisa Fletcher, 2017-02-03 *Island Genres* moves the debate about literature and place onto new ground by exploring the island settings of bestsellers. Through a focus on four key genres: crime fiction, thrillers, popular romance fiction, and fantasy fiction, Crane and Fletcher show that genre is fundamental to both the textual representation of real and imagined islands and to actual knowledges and experiences of islands. The book offers broad comparative readings of the significance of islandness in each of the four genres as well as detailed case studies of major authors and texts. These include chapters on Agatha Christie's islands, the role of the island in Bondspace, the romantic islophilia of Nora Roberts's *Three Sisters* Island series, and the archipelagic geography of Ursula Le Guin's *Earthsea*. Crane and Fletcher's book will appeal to specialists in literary studies and cultural geography as well as in island studies.

Love on Anchor Island Terri Osburn, 2020-02-11 Roxie Chandler might have found the place where she belongs but will one mistake mean leaving her new life and new love behind? Roxie has hit rock bottom. No job. No home. Even her family is done with her. An unplanned visit to an older cousin is her only option but stuck on a remote island is the last place she wants to be. Alex Fielding has never been happier. As the village doctor, he has the small town life he's always wanted: living in peace and helping his neighbors. Except life isn't so peaceful once the city girl with a chip on her shoulder moves in with his neighbor. To her surprise, Roxie likes Anchor Island and the people on it. Especially the hot doc next door. They're opposites in every way yet Alex is turning out to be the good guy she never knew she wanted. But when Roxie's mistake puts two of his patients in jeopardy, will he turn his back on her like everyone else in her life? Or will he show her what true love really means?

Home to Stay Terri Osburn, 2014 Willow Parsons's two new best friends are getting married, putting her squarely on the sidelines of romance, which suits her just fine. After the nightmarish situation she escaped from featuring the ultimate Mr. Wrong, she is more than happy to spend her days slinging drinks in Dempsey's Bar Grill and her nights alone. But her Anchor Island refuge has just one catch: muscle-bound charmer Randy Navarro. Everyone in town knows that Randy, owner of the local fitness club, is a giant teddy bear. Everyone, it seems, except for Willow. He's convinced that her avoidance is more than just playing hard to get and is determined to uncover the secrets that shadow her lovely eyes. But when old fears are dragged into the light, can Randy get Willow to stay and fight for their love, or will she take flight, leaving him and Anchor Island behind?

Home to Stay is a charming romantic tale about following your heart to find where you belong. **More to Give** Terri Osburn, 2014 Callie Henderson had to fight to put her tragic past behind her but now the up-and-coming player in the hospitality industry is well on her way to happiness. She has her sights set on the lead renovation position at the Sunset Harbor Inn, an inn that just happens to be owned by Sam Edwards, the man who comforted her in her grief and gave her one night of passion before walking away. Sam is searching for someone who can turn his quaint inn into a premier boutique hotel. He just never expected that someone to be the one woman who knows his deepest secrets. But he needs Callie, and Callie
