Chase Sears,2015-11-20 How did the Apostle Paul view the Church And where does Israel fit in How are the promises to Israel fulfilled In Heirs of Promise P Chase Sears discusses this relationship between the Church and Israel and he explains how that affects our understanding of the Old Testament Using a biblical theological approach to the book of Romans Sears argues that Paul understood the church not as a replacement of Israel but as the new Israel the continuation of Israel reconstituted in Christ And Jesus as the Son of God is the true Israel who fulfills all of God s purposes for Israel and creation Sears shows how the Old Testament promises to Israel are being fulfilled in the Church The Whole Message of the Bible in 16 Words Chris Bruno,2017-02-14 16 Key Words 1 Overarching Message At the heart of the Bible is one overarching message God saving his people through their promised Messiah This accessible introduction to the main point of the Bible traces the development of sixteen key themes creation covenant kingdom temple judgment and more from Genesis to Revelation showing how both the Old and New Testaments come together to declare a single unified message A concise primer to biblical theology this book helps readers trace God s unfolding plan of redemption throughout the Bible Faith Speaking Understanding Kevin J. Vanhoozer,2014-09-19 In this volume highly esteemed scholar Kevin Vanhoozer introduces readers to a way of thinking about Christian theology that takes the work he began in the groundbreaking 2005 book The Drama of Doctrine to its next level Vanhoozer argues that theology is not merely a set of cognitive beliefs but is also something we do that involves speech and action alike He uses a theatrical model to explain the ways in which doctrine shapes Christian understanding and forms disciples The church Vanhoozer posits is the preeminent theater where the gospel is performed with doctrine directing this performance Doctrines are not simply truths to be stored shelved and stacked but indications and directions to be followed practiced and enacted In performing doctrine Christians are shaped into active disciples of Jesus Christ He goes on to examine the state of the church in today s world and explores how disciples can do or perform doctrine Written in an accessible and engaging style Faith Speaking Understanding sets forth a compelling vision of what the church is and what it should be doing and demonstrates the importance of Christian doctrine for this mission Disciples who want to follow Christ in all situations need doctrinal direction as they walk onto the social stage in the great theater of the world The Christian faith is about acknowledging and participating in the great thing God is doing in our world making all things new in Christ through the Holy Spirit Doctrine ministers understanding of God of the drama of redemption of the church as a company of faithful players and of individual actors all of whom have important roles to play In an age where things fall apart and centers fail to hold doctrine centers us in Jesus Christ in whom all things hold together Going Public Bobby Jamison,2015-07 Going Public builds a theological

case for why baptism is required for church membership answers objections and applies this theological vision to the local church's practice of baptism the Lord's Supper and church membership *Biblical Theology* Jeong Koo Jeon, 2017-01-31 Dr Jeon's *Biblical Theology* is a timely must read for church leaders seminarians pastors and missionaries in the Global Mission Field It examines God's redemptive history in creation fall redemption and consummation as revealed in the Old and New Testaments Dr Jeon delves into the grand redemptive drama progressively demonstrated through the divine covenants as well as the manifestation of the eschatological Kingdom of God This book provides not only a proper redemptive historical vision of the Bible from Genesis to Revelation but also key ideas for the formation of a solid biblical worldview Dr Jeon demonstrates the intersection and union between biblical and systematic theology while exploring redemptive history Dr Jeon also emphasizes that we currently live in the eschatological age inaugurated after Jesus Christ's death and resurrection as the Mediator of the New Covenant This inaugurated eschatological Kingdom of God will be consummated after the Second Coming of Jesus Meanwhile the present age is occurring during the last days in which we live in the era of Global Missions by God's grace The community of the New Covenant church should humbly respond by participating in evangelism and missions demonstrating to the world that God's final judgment is coming **Les Nephilim** Christophe Colera, 2020-08-24 Parmi les

thèmes surnaturels bibliques marginalisés par la théologie académique figure celui des Nephilim très hybrides issus de l'union narrée par le Livre de la Genèse entre les mystérieux Fils de Dieu et les femmes humaines Selon certaines traditions ce sont des Géants et leurs parents étaient des Anges déchus L'ufologie et les réseaux sociaux dans les milieux chrétiens notamment aux États-Unis confrontent cette thématique un regain d'intérêt dans une optique apocalyptique Cet ouvrage présente les thèses actuelles de ces chrétiens ainsi que la manière dont ils projettent cette croyance dans leur lecture du monde contemporain et en cherchant des preuves dans des domaines comme la possession psychique la voyance ou les énigmes archéologiques

Covenant Theology Guy Prentiss Waters, J. Nicholas Reid, John R. Muether, 2020-10-16 A Comprehensive Exploration of the Biblical Covenants This book forms an overview of the biblical teaching on covenant as well as the practical significance of covenant for the Christian life A host of 26 scholars shows how covenant is not only clearly taught from Scripture but also that it lays the foundation for other key doctrines of salvation The contributors who engage variously in biblical systematic and historical theology present covenant theology not as a theological abstract imposed on the Bible but as a doctrine that is organically presented throughout the biblical narrative As students pastors and church leaders come to see the centrality of covenant to the Christian faith the more the church will be strengthened with faith in the covenant keeping God and encouraged in their understanding of the joy of covenant life **Progressive Covenantalism** Stephen J. Wellum, Brent E.
