Click Ori Brafman, Rom Brafman, 2011-07-05 You know the feeling You meet someone new at a party or at work and you just hit it off There is an instant sense of camaraderie In a word you click From the bestselling authors of Sway Click is a fascinating psychological investigation of the forces behind what makes us click with certain people or become fully immersed in whatever activity or situation we re involved in From two co workers who fall head over heels for each other while out to dinner and are married a month later and fifteen years later remain just as in love to a team of scientists who changed the world with the magic of their invention these kinds of peak experiences when our senses are completely focused on the moment are something that individuals and companies strive to achieve After all when you re in the zone you re happier and more productive Why is it that we click in certain situations and with certain people but not with others Can this kind of magical connection be consciously encouraged Is there a way to create such peak experiences whether on a date or in your job According to Ori and Rom Brafman there is In a powerful story driven narrative that weaves together cutting edge research in psychology and sociology the Brafmans explore what it means to click the common factors present when our brain and senses are fully engaged They identify five accelerators that increase the likelihood of these kinds of magic connections in our work and relationships From actors vying for a role on a popular TV series to police officers negotiating with hostage takers we learn how one can foster an environment where we can click with another person and shape our thinking behavior and emotions A fascinating journey into how we engage with the world around us Click will transform our thinking about those moments when we are in the zone and everything seems to fall into place Acclaim for Sway A provocative new book about the psychological forces that lead us to disregard facts or logic and behave in surprisingly irrational ways New York Times A unique and compulsively readable look at unseen behavioral trends Fortune A breathtaking book that will challenge your every thought Sway hovers above the intersection of Blink and Freakonomics Tom Rath coauthor of the New York Times 1 bestseller How Full Is Your Bucket An engaging journey through the workings and failings of the mind Their stories of senselessness are as fascinating as the lessons we learn from them Fast Company Count me swayed but in this instance by the pull of entirely rational forces Ori and Rom Brafman have done a terrific job of illuminating deep seated tendencies that skew our behavior in ways that can range from silly to deadly We d be fools not to learn what they have to teach us Robert B Cialdini author of New York Times bestseller Influence If you think you know how you think you d better think again Take this insightful delightful trip to the sweet spot where economics psychology and sociology converge and you ll discover how our all too human minds actually work Alan M Webber founding editor of Fast Company

Summary of Ori Brafman & Rom Brafman's Click Everest Media, 2022-05-21T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 At a Pasadena hotel Paul was about to do something impulsive even by his standards He was in charge of the proposal for a 15 billion project to clean up a nuclear weapons

facility in Colorado He had assembled a team of experts from around the world 2 When we click with someone we feel a deep and meaningful connection with them and the world around us It can be difficult to explain but it is something that only happens to us when we are with someone who clicks with us 3 The instant connection between two people can be just as deep and meaningful as romantic love It can be found in the most unexpected of places and can change the course of a person's career 4 When we click with someone we experience a unique euphoric state We permanently alter the fundamental nature of our relationship and it can elevate our own personal abilities **Enchantment** Guy Kawasaki,2012-12-31

Enchantment as defined by bestselling business guru Guy Kawasaki is not about manipulating people It transforms situations and relationships It converts hostility into civility and civility into affinity It changes skeptics and cynics into believers and the undecided into the loyal Enchantment can happen during a retail transaction a high level corporate negotiation or a Facebook update And when done right it's more powerful than traditional persuasion influence or marketing techniques Kawasaki argues that in business and personal interactions your goal is not merely to get what you want but to bring about a voluntary enduring and delightful change in other people By enlisting their own goals and desires by being likable and trustworthy and by framing a cause that others can embrace you can change hearts minds and actions [Click](#) Ori
