Amando a un duque Claire Phillips, 2016-02-18 Maximilian regresaba al hogar tras muchos años al servicio de la Marina Real de su Majestad Regresaba a casa para hacerse cargo de sus responsabilidades como heredero del ducado de Frenton y sabía que entre ellas se hallaba el encontrar la esposa adecuada y aportar nuevos herederos al título Nunca pensó que sus planes originales sufrieran un revés al reencontrarse con una Amelia convertida en una mujer hermosa sensual y arrolladoramente atractiva que despertaba en él deseos muy alejados de los que debería sentir quien siempre la había considerado una hermanita pequeña a la que proteger y cuidar Ahora debía luchar contra la pasión que ella despertaba en él pues no debía ignorar quién era ni lo que era No podía dejar su casa su título su posición su familia y menos aún a la pequeña Amelia Mcbeth Pero qué pasar si se dejara llevar por los incontenibles deseos y sentimientos que ella despertaba en él Se convertiría en un monstruo o simplemente sería feliz siendo quien estaba destinado a ser el amor de su Amelia *Ángel con ojos color miel*

Claire Phillips, 2015-08-20 Dicen que cuando a una mujer le ha faltado cariño desde pequeña su alma se encierra en una coraza que es muy difícil resquebrajar Julianna en cambio sigue siendo confiada y generosa Extremadamente tímida pero con gran corazón busca sosiego en la cocina horneando deliciosos pasteles en los libros en la naturaleza escapándose por la noche para ver las estrellas en el bosque de su Irlanda natal Así descubre una noche a un joven herido a quien salva la vida curándolo como ha visto hacer a su padre Los años pasan y esa niña regordeta se transforma en una belleza extraordinaria sin ser consciente de ello Tras la muerte de su padre repudiada por sus hermanos se ve empujada a buscar su independencia en Londres Lo que no sabe es que hay alguien que la admira y la busca en secreto Aquel joven al que salvó hijo del conde de Worken se siente en deuda con Julianna a quien ha visto crecer y florecer hasta transformarse en toda una mujer A Cliff de Worken le resulta extremadamente fácil cautivar a la tímida e ingenua Julianna Después de todo es ahora uno de los solteros más codiciados atractivo y arrebatador Pero su ímpetu arrolla y confunde a la bella joven que no puede entender que alguien se fije en ella Aun dudando de las intenciones de Cliff Julianna se ve envuelta en una peligrosa historia

Por qu conf a en ese hombre con sonrisa de depredador Por qu no puede resistirse cuando todos los indicios le dicen que se aleje de l Pero el destino le tiene preparadas muchas pruebas y aventuras que deber superar antes de obtener la respuesta

Transcript of the Enrollment Books New York (N.Y.). Board of Elections,1940 *Angels and Earthly Creatures* Claire M. Waters,2013-06-15 Texts by for and about preachers from the twelfth to the fourteenth centuries reveal an intense interest in the preacher s human nature and its intersection with his angelic role Far from simply denigrating embodiment or excluding it from consideration these works recognize its centrality to the office of preacher and the ways in which preachers like Christ needed humanness to make their performance of doctrine effective for their audiences At the same time the texts warned of the preacher s susceptibility to the fleshly failings of lust vainglory deception and greed Preaching s problematic juxtaposition of the earthly and the spiritual made images of women preachers real and fictional key to understanding and exploiting the power as well as the dangers of the feminized

flesh Addressing the underexamined bodies of the clergy in light of both medieval and modern discussions of female authority and the body of Christ in medieval culture Angels and Earthly Creatures reinserts women into the history of preaching and brings together discourses that would have been intertwined in the Middle Ages but are often treated separately by scholars The examination of handbooks for preachers as literary texts also demonstrates their extensive interaction with secular literary traditions explored here with particular reference to Chaucer's Canterbury Tales Through a close and insightful reading of a wide variety of texts and figures including Hildegard of Bingen Birgitta of Sweden and Catherine of Siena Waters offers an original examination of the preacher's unique role as an intermediary standing between heaven and earth between God and people participating in and responsible to both sides of that divide

Conceptions of Dreaming from Homer to 1800 G. W. Pigman III, 2019-01-31 Conceptions of Dreaming from Homer to 1800 traces the history of ideas about dreaming during the period when the admonitory dream was the main focus of learned interest from the Homeric epics through the Renaissance and the period when it began to become a secondary focus the eighteenth century The book also considers the two most important dream theorists at the turn of the twentieth century Sigmund Freud and Sante de Sanctis While Freud is concerned with questions of what a dream means and how to interpret it de Sanctis offers a synthesis of nineteenth century research into what a dream is and represents the Enlightenment transition from particular facts to general laws
