

Ethics Case Study for ABC Incorporated and Questions

By Renee Rampulla, CPA, Technical Manager, AICPA Professional Ethics Division and updated by Ellen Gorla, CPA, Senior Manager Independence and Special Projects in March 2015

This case, involving ABC Incorporated, contains various ethical issues confronted by members in business and industry. It has been written in dialogue and begins on the morning of April 10, 2015 at the company's audit committee meeting. The company has recently restated their financial statements and has assigned a special investigation committee to address the matter. The following individuals participated in the transactions in question or are involved in the investigation of the matter.

- **Lewis – Chairman of the Audit Committee**
- **George– Chair of the Special Investigation Committee** George, 52, is a CPA and is the newly appointed Director of the Company's Internal Audit Department. Prior to joining the company, he spent 6 years as the Director of Internal Audit with a company in a different industry after retiring as a partner with regional public accounting firm.
- **Daniel (Former CEO)** Daniel, 46, was the Chief Executive Officer ("CEO") of the Company from 2005 until his departure in February 2015. He had been the CEO of a competitor for over 10 years. In addition, Daniel worked for 9 years in charge of the internal audit department of a major retail chain. Daniel has a BBA in Accounting and an MBA in Finance.
- **Jan (CFO)** Jan, 39, joined the Company in 2000 and has held various financial accounting positions. In 2013 she was promoted to the position of Chief Financial Officer. Her previous professional experience includes two years as an accounting manager in a major public firm, and 9 years in public accounting, achieving the level of manager before leaving. In 1997 she obtained her CPA license. She has an undergraduate degree in accounting and is a member of the American Institute of Certified Public Accountants.
- **Gary (Controller)** Gary, 41, began his career with the company back in 2001. He has held various positions with the Company and is currently in the position of Controller. Prior to joining, Gary spent 4 years in public accounting providing tax and accounting services. He attended ABC College and received a BA in accounting. In 1995 he became a CPA and a member of the American Institute of Certified Public Accountants.
- **John (Accounting Manager)** John, 32, is the ABC's accounting manager. He only recently joined the company in 2012. Prior to joining the Company, he was with one of the company's largest competitors. John is a CPA with 7 years' experience in public accounting. He received an undergraduate degree in accounting and is a member of the American Institute of Certified Public Accountants.
- **Melanie (Senior Accountant)** Melanie, 26, was recently promoted to the position of senior accountant. She has been with the Company for 2 years. Previously she was with our accounting firm and worked on the team providing audit services to our Company. Melanie has recently received her CPA certificate and has joined the American Institute of Certified Public Accountants.

The chairman of the special investigation committee George has begun to address the audit committee:

THE MORNING OF APRIL 10, 2015

"Good morning. I would like to thank you for inviting me to speak at the Audit Committee meeting today. As some of you already know, my name is George and I am Chairman of the Special Investigation Committee assigned to assist ABC Incorporated with its internal investigation surrounding the recent restatement of the company's financial statements. In addition, the Securities and Exchange

Aicpa Case Solutions Introduction

In today's digital age, the availability of Aicpa Case Solutions books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Aicpa Case Solutions books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Aicpa Case Solutions books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Aicpa Case Solutions versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Aicpa Case Solutions books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Aicpa Case Solutions books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Aicpa Case Solutions books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Aicpa Case Solutions books and manuals for download have transformed the way we access information. They provide a cost-effective and

convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Aicpa Case Solutions books and manuals for download and embark on your journey of knowledge?
