A Translation of Ayyuhal Walad** Abu Hamid Al-Ghazali, 2025-08-15 One of al Ghazali's advanced students wrote to the Imam with a question From all the fields of knowledge what will benefit us most in the grave The student clarified that while he could certainly find the answer to his question within al Ghazali's longer works such as the *Ihya Ulum al Din* he wished for his teacher to give him a formal opinion short enough that he could keep it with him at all times and refer to it constantly Ayyuhal Walad is the great Imam's response a personal note from al Ghazali to his student and by extension to anyone who desires to follow their way Imam al Ghazali elucidates the following for his student and for the modern reader The precise nature of the relationship between knowledge and action and the role of each in one's striving for paradise The significance of the night prayer Some advice from Luqman the Wise to his son and its enduring meaning and importance A concise definition of obedience and worship which al Ghazali states is the quintessence of knowledge The four matters that are required of a spiritual traveler A single hadith that contains

the entirety of the knowledge of the ancients as well as the men and women of latter days Eight lessons that are sufficient for deliverance and salvation Ayyuh al Walad translated here as O Son is designed to be read and reread and referred to frequently throughout one's life The reader must take note that the original recipient of this letter was a top student of Imam al Ghazali and therefore likely a scholar of the highest calibre himself This book is thus invaluable simply as a record of the interaction between one of the Umma's greatest teachers and his esteemed disciple However al Ghazali's prescriptions are conveyed with such clarity that any Muslim of high aspiration will benefit from this text This edition includes Ustadh Moustafa Elqabbany's meticulous English translation side by side with al Ghazali's original Arabic epistle This arrangement allows the English speaking reader to get a taste of al Ghazali's unique style while students of Arabic may peruse the Imam's masterful Arabic prose alongside Ustadh Moustafa's elegant English rendition *Al-Ghazali on Patience and Thankfulness: Revival of the Religious Sciences Book XXXII*.
