

How Great Was Alexander the Great?

► **1992-1993:** A resolution of the 10th National Congress provided that permanent members of the executive committee of the Politburo have only 20% of the total vote in congress that included the Congress of Deputies and the State Duma of Russia. A large number of the Politburo members were not in Congress (the Politburo/Supreme Soviet dissolved three days before the congress). The reform was viewed by the Russian far right as the first step toward the end of the Soviet Union. At the same time, reformers (e.g., Andrei Kozlov) of the Russian and Commonwealth of Independent States (CIS) felt that the CIS was very unstable, and that the Russian government was unstable and corrupt.
