Transformation Joel Cutcher-Gershenfeld, Dan Brooks, Martin Mulloy, 2025-05-13 How the partnership between Ford and the UAW forged through more than fifty pivotal events transformed their capacity to combine good jobs with high performance In 2009 the Ford Motor Company was the only one of the Big Three automakers not to take the federal bailout package How did Ford remain standing when its competitors were brought to their knees It was a gutsy decision but it didn't happen in isolation The United Auto Workers joined with Ford to make this possible not only in 2009 but in a series of more than fifty pivotal events during three decades that add up to a transformation that simultaneously values work and delivers results The pivotal events some planned and some unplanned some at the facility level and some at the enterprise level were not all successful All had the potential however to further the transformation and all provide insight into how large scale system change really happens The authors each with years of experience with Ford the UAW and the industry provide an unprecedented inside look at how core operating assumptions are shifted and at the emergence of integrated operating systems for quality safety and other aspects of the enterprise It is a transformation built on a foundation of dignity and mutual respect guided by a vision of combining good jobs with high performance **Boards That Lead** Ram Charan, Dennis Carey, Michael Useem, 2013-12-10 Is your firm's board creating value or destroying it Change is coming Leadership at the top is being redefined as boards take a more active role in decisions that once belonged solely to the CEO But for all the advantages of increased board engagement it can create debilitating questions of authority and dangerous meddling in day to day operations Directors need a new road map for when to lead when to partner and when to stay out of the way Boardroom veterans Ram Charan Dennis Carey and Michael Useem advocate this new governance model a sharp departure from what has been demanded by governance activists raters and regulators and reveal the emerging practices that are defining shared leadership of directors and executives Based on personal interviews and the authors broad and deep experience working with executives and directors from dozens of the world's largest firms including Apple Boeing Ford Infosys and Lenovo **Boards That Lead** tells the inside story behind the successes and pitfalls of this new leadership model and explains how to Define the central idea of the company Ensure that the right CEO is in place and potential successors are identified Recruit directors who add value Root out board dysfunction Select a board leader who deftly bridges the divide between management and the board Set a high bar on ethics and risk With a total of eighteen checklists that will transform board directors from monitors to leaders Charan Carey and Useem provide a smart and practical guide for businesspeople everywhere whether they occupy the boardroom or the C suite **Dream Car** Dimitry Anastakis, 2024-03-26 Dream Car tells the story of entrepreneur

Malcolm Bricklin's fantastical 1970s era Safety Vehicle 1 SV1 audaciously launched during a tumultuous breakpoint in postwar history. The tale of the sexy yet safe SV1 reveals the influence of automobiles on ideas about the future technology, entrepreneurship, risk, safety, showmanship, politics, sex, gender, business, and the state, as well as the history of the auto industry's birth, decline, and rebirth. Written as an open road, the book invites readers to travel a narrative arc that unfolds chronologically and thematically. Dream Car's seven chapters have been structured so that they can be read in any order determined by whichever theme each reader finds most interesting. The book also includes a musical playlist of car songs from the era and songs about the SV1 itself.

[How to Be a Great Boss](#) Gino Wickman, René Boer, 2016-09-13 If your employees brought their A Game to work every day, what would it mean for your company? Performance Studies have repeatedly shown that the majority of employees are disengaged at work. But it doesn't have to be this way. Often the difference between a group of indifferent employees and a fully engaged team comes down to one simple thing: a great boss. In *How to Be a Great Boss*, Gino Wickman and Rene Boer present a straightforward, practical approach to help bosses at all levels of an organization get the most from their people. They share time-tested tools that have worked for more than 30,000 bosses in every industry. You can learn to be a great boss and dramatically improve both your organization's performance and your team's excitement about their work. In this book, you will discover:

- How to surround yourself with great people
- How to make more effective use of your time
- The difference between leadership and management and why they're equally important
- The five leadership practices and five management practices of all great bosses
- How to create accountability
- How to develop productive relationships with each of your people
- How to deal with direct reports that don't meet your expectations

How to Be a Great Boss provides practical tools that you can apply immediately with your people, allowing you to focus on improving and growing your organization and truly enjoy what you do.
