Central Intelligence Agency,1970 **Shadows** Fru Doh,2011-02-24

Shadows as the title insinuates splits open and lays bare the frightening vision of humanity the heart of man depressed a veritable inferno in which there is little to be enjoyed and everything to be endured as all is vanity a gnawing emptiness Nothing is but what it seems Simple but without being simplistic there is in the damp climate of Doh s poetry broken promises displaced emotional centres a pervading sense of doom of impending disaster and a total helplessness reminiscent of Plato s proverbial mythical cave in which all reality is but shadow devoid of substance with the observer chained to the walls of his feelings beliefs and unfulfilled ambitions The second section *Celebration* is however a source of warmth of light the sun s rays in an otherwise damp and dark collection **Smile When You're Lying** Chuck Thompson,2007-11-27

From Bangkok to Bogota a hilarious behind the brochures tour of picture perfect locales dangerous destinations and overrated hellholes from a guy who knows the truth about travel Travel writer editor and photographer Chuck Thompson has spent more than a decade traipsing through thirty five and counting countries across the globe and he s had enough Enough of the half truths demanded by magazine editors enough of the endlessly recycled clich s regarded as good travel writing and enough of the ugly secrets fiercely guarded by the travel industry But mostly he s had enough of returning home from assignments and leaving the most interesting stories and the most provocative insights on the editing room floor From getting swindled in Thailand to running afoul of customs inspectors in Belarus from defusing hostile Swedish rockers backstage in Germany to a closed door meeting with travel execs telling him why he s about to be fired once again Thompson s no holds barred style is refreshing invigorating and all those other adjectives travel writers use to describe spa vacations where the main attraction is a daily colonic *Smile When You re Lying* takes readers on an irresistible series of adventures in Europe Asia the Caribbean Latin America and beyond details the effects of globalization on the casual traveler and ponders the future of travel as we know it and offers up a treasure trove of travel industry secrets collected throughout a decidedly speckled career **Saints of the Waters Ford** James McEachern,2023-07-07 The colossal empire of Britannia has been

decimated by its human adversaries and the unworldly forces of the folk The out port settlements on the island of Breton are left to fend for themselves after the destruction of the protectorate Surrounded by their enemies dragons goblins ogres krakens and the like the fighting men of the empire have given their lives in its defense Ten years after the uprising of the folk the farmers and villagers of Breton find themselves living in fear and trepidation playthings of their enemies All contact with the outside world has been lost those coming to Breton from the continent tell a continuing tale of woe the inhumanity of man and the horrors of the folk have led to the destruction of their society Elis Avaleonous seeks to follow in the footsteps of his deceased father as paladin and knight to the people of Breton Saints of the Waters Ford is Elis crusade to rid the island of its terrors A people will be forged or perish as light and darkness strive for the hearts and minds of all Will a tiny flame set the night on fire or be extinguished forever is the will of one man enough to safeguard the future come and see the folk are waiting

The Kindness Cure Tara Cousineau,2018-02-02 It s time for a kindness revolution In The Kindness Cure psychologist Tara Cousineau draws on cutting edge research in psychology and neuroscience to show how simple practices of kindness for ourselves for others and for our world can dissolve our feelings of fear and indifference and open us up to a life of profound happiness Compassion for ourselves and others is our birthright as humans hardwired into our DNA and essential to our happiness But in our fast paced technical savvy and hyper competitive world it may come as no surprise that rates of narcissism have risen while empathy levels have declined We now find ourselves in a cool to be cruel culture

where it's easy to feel disillusioned and dejected in our hearts, homes and communities. So how can we reverse this malady of meanness and make kindness and compassion an imperative? The Kindness Cure draws on the latest social and scientific research to reveal how the seemingly soft skills of kindness, cooperation and generosity are fundamental to our survival as a species. In fact, it's our prosocial abilities that put us at the head of the line. Blended with moving case studies and clinical anecdotes, Cousineau offers practical ways to rekindle kindness from the inside out. We are wired to care. The very existence of our human species evolved because of an intricate physiology built for empathy, compassion and cooperation. Yet we have an epidemic of loneliness, indifference and cruelty, and we see these destructive trends on a daily basis in our families, schools, neighborhoods and workplaces. This important book teaches effective skills in compassion, mindfulness and social and emotional learning and reveals successful social policy initiatives in empathy taking place that inform everything from family life to education to the workplace. Kindness has the exponential power to renew relationships and transform how we think, feel and behave in the world. Will you be a part of the revolution?
