Ada's Legacy Robin Hammerman, Andrew L. Russell, 2015-10-01 Ada's Legacy illustrates the depth and diversity of writers thinkers and makers who have been inspired by Ada Lovelace the English mathematician and writer The volume which commemorates the bicentennial of Ada's birth in December 1815 celebrates Lovelace's many achievements as well as

the impact of her life and work which reverberated widely since the late nineteenth century In the 21st century we have seen a resurgence in Lovelace scholarship thanks to the growth of interdisciplinary thinking and the expanding influence of women in science technology engineering and mathematics Ada s Legacy is a unique contribution to this scholarship thanks to its combination of papers on Ada s collaboration with Charles Babbage Ada s position in the Victorian and Steampunk literary genres Ada s representation in and inspiration of contemporary art and comics and Ada s continued relevance in discussions around gender and technology in the digital age With the 200th anniversary of Ada Lovelace s birth on December 10 2015 we believe that the timing is perfect to publish this collection of papers Because of its broad focus on subjects that reach far beyond the life and work of Ada herself Ada s Legacy will appeal to readers who are curious about Ada s enduring importance in computing and the wider world

Depth Lev AC Rosen,2015-04-28 In a post apocalyptic flooded New York City a private investigator s routine surveillance case leads to a treasure everyone wants to find and someone is willing to kill for Depth combines hardboiled mystery and dystopian science fiction in a future where the rising ocean levels have left New York twenty one stories under water and cut off from the rest of the United States But the city survives and Simone Pierce is one of its best private investigators Her latest case running surveillance on a potentially unfaithful husband was supposed to be easy Then her target is murdered and the search for his killer points Simone towards a secret from the past that can t possibly be real but that won t stop the city s most powerful men and women from trying to acquire it for themselves with Simone caught in the middle

Shakespeare and Science Fiction Sarah Annes Brown,2021-11-16 In Shakespeare and Science Fiction Sarah Annes Brown investigates why so many science fiction writers have turned to Shakespeare when imagining humanity s future He and his works become a kind of touchstone for the species in much science fiction both transcending and exemplifying what it means to be human Writers have used Shakespeare in a range of often contradictory ways He is associated with freedom and with tyranny with optimistic visions of space exploration and with the complete destruction of the human race His works have been invoked to justify the existence of humanity but have also frequently been coopted for their own purposes by alien life forms or artificial intelligences Shakespeare and Science Fiction is the first extended study of Shakespeare s influence on the genre It draws on over a hundred works across different science fiction media identifying recurring patterns and telling contradictions in the way science fiction engages with Shakespeare It includes discussions of time travel alternate history dystopias space opera posthuman identity and post apocalyptic fiction

The Bell in the Fog Lev AC Rosen,2023-10-10 The Bell in the Fog a dazzling historical mystery by Lev AC Rosen asks once you have finally found a family how far would you go to prove yourself to them San Francisco 1952 Detective Evander Andy Mills has started a new life for himself as a private detective but his business hasn t exactly taken off It turns out that word spreads fast when you have a bad reputation and no one in the queer community trusts him enough to ask an ex cop for help When James an old flame from the war who had mysteriously disappeared arrives in his offices above the Ruby Andy

wants to kick him out But the job seems to be a simple case of blackmail and Andy s debts are piling up He agrees to investigate despite everything it stirs up The case will take him back to the shadowy closeted world of the Navy and then out into the gay bars of the city where the past rises up to meet him like the swell of the ocean under a warship Missing people violent strangers and scandalous photos that could destroy lives are a whirlpool around him and Andy better make sense of it all before someone pulls him under for good Dive into the full Evander Mills series Lavender House The Bell in the Fog Rough Pages At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied

no make that irresistible romance There is not a false note in this expert effort and Emmett is a character to treasure Booklist starred review An optimistic read that explores identity and provides models of healthy relationships sex and love a sensitive and affirming adaptation Publishers Weekly starred review Rosen aptly carries Jane Austen's torch delivering comparably witty banter and keen social commentary Delightfully queer and downright swoonworthy Kirkus starred review A modern day gay Emma with the spikey social critique of Austen plus the lush over the top romance of Bridgerton Emmett Woodhouse handsome clever and rich with a comfortable home and happy disposition seemed to unite some of the best blessings of existence and had lived nearly eighteen years in the world with very little to distress or vex him Emmett knows he's blessed And because of that he tries to give back from charity work to letting the often irritating Georgia sit at his table at lunch he knows it's important to be nice And recently he's found a new way of giving back matchmaking He set up his best friend Taylor with her new boyfriend and it's gone perfectly So when his occasional friend with benefits Harrison starts saying he wants a boyfriend something Emmett definitely does NOT want to be he decides to try and find Harrison the perfect man at Highbury Academy Emmett's childhood friend Miles thinks finding a boyfriend for a guy you sleep with is a bad idea But Miles is straight and Emmett says this is gay life your friends your lovers your boyfriends they all come from the same very small pool That's why Emmett doesn't date to keep things clean He knows the human brain isn't done developing until twenty five so any relationship he enters into before then would inevitably end in a breakup in loss And he's seen what loss can do His mother died four years ago and his Dad hasn't been the same since But the lines Emmett tries to draw are more porous than he thinks and as he tries to find Harrison the perfect match he learns that gifted as he may be maybe he has no idea what he's doing when it comes to love Modern and very gay with a charmingly conceited lead who is convinced he knows it all and the occasional reference to the classic movie Clueless Emmett brings you lush romance all while exploring the complexities of queer culture where your lovers and friends are sometimes the same person but the person you fall in love with might be a total surprise
