Pohlman, 2021-02-02 Broadcasting the Faith tells the riveting story of the American church s embrace of radio in the early decades of the twentieth century By investigating major radio personalities like Walter Maier Aimee Semple McPherson Harry Emerson Fosdick and Charles Fuller this study considers the implications for theology in America when Christianity moved to the airwaves In the heyday of radio religious radio preachers sought to use their programs to counter the secularization of American culture Ultimately however their programs contributed to secularization by accelerating changes already evident in both the conservative and liberal streams of American Christianity To reach a vast American audience radio preachers transformed their sectarian messages into a

religion more suitable to the masses thereby altering the very religion it aimed to preserve To make religion accessible to large and diverse audiences radio preachers accommodated their messages in ways suited to the medium of radio Although religious radio preachers set forth to advance the influence of religion in American society their choice to limit theological substance ironically promoted the secularization of the American church *Ritual and Belief* David Hicks,2010-03-15 *Ritual and Belief* Readings in the Anthropology of Religion is a collection of 41 readings in religion magic and witchcraft The choice of readings is eclectic no single anthropological approach or theoretical perspective dominates the text Theoretical significance scholarly eminence of the author and inherent interest provide the principal criteria and each reading complements its companion chapters which are pedagogically coherent rather than ad hoc assemblages Included among the theoretical perspectives are structural functionalism structuralism Malinowskian functionalism cultural materialism and cultural evolutionism also included are the synchronic and diachronic approaches The book offers a mixture of classic readings and more recent contributions and the world religions are included along with examples from the religions of traditionally non literate cultures As diverse a range of religious traditions as possible has been embraced from various ethnic groups traditions and places *St. Benedict's Toolbox* Jane Tomaine,2005-05-01 When St Benedict formed his first small community of monks at Monte Cassino on the hilltop Italy and much of Europe was ravaged by war The Roman Empire was breaking apart and politics cultural life and even the Church were all in disarray In the midst of these tumultuous times Benedict offered his followers a little rule a guide about the size of a checkbook that showed his monks the way to peace as they learned to prefer Christ above all things Though it was written nearly 1500 years ago the Rule of Benedict still offers the practical tools for living a Christ centered today Here in St Benedict s Toolbox readers will find a primer on how to use these tools in their own tumultuous lives Each chapter examines one aspect of the Rule from ways of praying to ways of embracing humility and offers suggestions for prayer reflection journaling and action As they learn to use Benedict s tools readers will discover the power and the timeliness of this ancient way of life **For Everything a Season** Paul Toews, Kevin Enns-Rempel,2002 **Presbyterian Survey** ,1977 **Billboard** ,1945-07-21 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
