mastery it offers the characters are imprisoned by rules and codes Through a postmodern reading of Spark s works such as *The Comforters* 1957 *The Public Image* 1968 *The Driver s Seat* 1970 *Reality and Dreams* 1996 and *Aiding and Abetting* 2000 this book analyzes the role of certain social structures in her fiction The volume argues that these attractions and destructions are very much like postmodern critical games with structures that are open to any experimentation but at the same time seem fixed and unchanging Within this postmodern context one is free to play games with signs and systems of rules Spark s characters enter these games in a playful mood and test their limits The texts images and spectacles haunt their victims who are unable to escape the process of attraction and destruction The characters are eventually led to their death literal or metaphoric which will inevitably introduce them to a new beginning
