Alone Together Theodora Getty Gaston, Digby Diehl, 2013-09-03 Theodora Teddy Getty Gaston now one hundred years old reveals the glamorous yet painful story of her marriage to J Paul Getty As formidable as Getty was his wife was equally strong minded and flamboyant and their clutches and clashes threw off sparks She knew the vulnerable side of Getty he underwent painful plastic surgery and suffered terrible phobias that few if any saw A vivid love story Alone Together is also a fascinating glimpse into the twentieth century from the vantage point of one of its most remarkable couples This is how the other half lived dinner dances satin gowns beach houses hotel suites first class cabins on the Queen Mary Teddy's extra ordinary life story moves from the glittering nightclubs of 1930s New York City to Mussolini's Italy where she was imprisoned by the fascist regime to California in the golden postwar years where Paul and Teddy socialized with movie stars and the elite But life with one of the world's richest men wasn't all glitz and glamour Though terrifically charismatic in person Getty grew more miserly as his wealth increased Worse he often left Teddy and their son Timothy behind for years at a time while he built planes for the war effort in the 1940s or brokered oil deals he was the first American to lease mineral rights in Saudi Arabia which made him at his death the richest man in the world Even when Timothy was diagnosed with a brain tumor Getty complained about medical bills and failed to return to the United

States to support his wife and son When Timothy died at age twelve the marriage was already falling apart Teddy's unrelenting spirit her valiant friendship and her winning lack of vanity transform what could have been a sob story into a nuanced portrait of a brilliant but stubbornly difficult man and the family he loved but left behind as well as an enchanting view into a bygone era This was a life lived from the heart Kidnapped Charles Fox,2018-01-09 This title was previously published as *Uncommon Youth* The true account behind the glamorous life and tragic times of J Paul Getty III whose kidnapping made headlines in 1973 as seen in Ridley Scott's *All the Money in the World* and the FX series *Trust* by Danny Boyle J Paul Little Paul Getty III the grandson of Getty Oil founder J Paul Getty may have been cursed by money and privilege from the moment he was born Falling in with the wrong people and practically abandoned by his famous family Getty was a child of his international jet set era moving from Marrakesh to Rome nightclubs to well appointed drug dens His high profile kidnapping defined the decade and was permanently memorable for the ear that was mailed to his mother as evidence of the kidnappers intentions *Kidnapped* is richly reported and includes many interviews with Getty himself conducted from the late 1970s to the early 1990s that raise new angles about the case How much did Getty acquiesce to the kidnappers Why wouldn't his rich as Croesus grandfather pay the ransom which began at the equivalent of 550 000 in lire and bulged to 3 6 million as the months dragged on Charles Fox began following and researching this story since the days shortly after Getty's disappearance Fox's writing captures the voices of models and maids mistresses and mothers carabinieri and club owners drug dealers and drivers alongside the Getty family members themselves to paint an evocative portrait of an era and one of its most misunderstood participants **Uncommon Youth** Charles Fox,2013-05-07 Draws on first person interviews and other primary sources to trace the life and infamous 1973 abduction of the Getty Oil founder's grandson offering insight into J Paul Getty III's questionable social life his family's abandonment and the audacious increasing ransom demanded by the kidnappers The Wall Street Journal ,1986 Ebook: Sociology: A Brief Introduction Schaefer,2014-10-16 Ebook *Sociology A Brief Introduction* Weekly World News ,1988-06-21 Rooted in the creative success of over 30 years of supermarket tabloid publishing the *Weekly World News* has been the world's only reliable news source since 1979 The online hub www.weeklyworldnews.com is a leading entertainment news site *My Faraway One* Sarah Greenough,2011-06-21 Collects the private correspondence between Georgia O Keeffe and Alfred Stieglitz revealing the ups and downs of their marriage their thoughts on their work and their friendships with other artists *Love Becomes a Funeral Pyre* Mick Wall,2015-09-01 From one of rock's greatest writers *Love Becomes a Funeral Pyre* is the definitive biography of the Doors Spanning the entire history of the band from the birth of its members to the deaths of those who have departed this book will long remain the definitive history of a band that changed the history of popular music The band that started out as the American Rolling Stones noted for their wildly unpredictable performances their jazzy vibe and the crazed monologues of their front man ended as badly as did the 60s abruptly bloodily crippling Along with evoking the cultural milieu of Los
