The Adventures of Mz. Grundy Z. Leatherberry Nancy Winniford, 2025-10-04 Mz Grundy's life of adventure began in the summer of 1875 when she was eighteen years old and her journey from Massachusetts to Chicago was chronicled in Book 1 of this series The Adventures of Mz Grundy Z Leatherberry The Quest for Adventure This book The Adventure Continues picks up where the first left off when Mz Grundy was stranded in Chicago with no place to stay Ya see Mz Grundy was on her way to the Dakota Territory to become a schoolteacher for the newly settled frontier on the prairie along the Missouri River in what is now South Dakota Along the way she was sure she would encounter adventure and fun and she was entirely correct Join Mz Grundy as she rolls across the plains behind a gigantic locomotive then sloshes up the Missouri River on a steamboat Experience her awe and admiration of the frontiersman who catches a fifty foot fish like none she'd ever before seen Blush with her as the first young gentleman in her life gives her attention Learn with her as she is befriended by a former slave Feel the adrenalin rush as Mz Grundy leaps and dances around a rattler attempting to bite her Laugh with and at her over her zany moments trying to show up a male horseman attempting to teach the pilot of the steamboat how to steer having her strong will challenged by an equally strong willed soldier and more There are brief historical vignettes as well to explain those bygone times for modern readers who may not know about life in 1875 Don't miss this opportunity to venture into the past and see pioneer life from Mz Grundy's perspective It's sure to make you chuckle ponder and even be glad you are learning history as you enjoy the fictional story Children's Books in Print, 2007 ,2006 **AP* U.S. History Review**

presidents inaugurals including that of Bill Clinton The authors methodology applies classical rhetoric to the nexus of political discourse the interrelationships between the speaker the speech and the audience discussing *vox populi elocutio inventio* and *actio* Each of the chapters analyzes the political situation with regard to political purpose giving special attention to genre criticism and to the themes of campaign rhetoric that were or were not carried forth into the inaugural address The essayists explicate the evolution of each inaugural s preparation criticize its delivery and evaluate its persuasive strengths and weaknesses by accounting for its reception by the media and by the American people Recommended for scholars of political communication and rhetoric political science history and presidential studies
