## Night Chapter 7 Connections and Distinctions

Directions: An example of Chapter 7 of *Night*, definitions of the following quotes are connections or distinctions to the cattle car ride from chapter 2 of *Night*.

| Quote                                                                                                                                                                                                                                                                                         | Connections or Distinctions to Chapter 2? | Explanation                                                                                                                                                                                                                                    |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| "There isn't the dead!... The living were glad! That would mean more death!" (Wiesel 94)                                                                                                                                                                                                      | Distinction                               | In Chapter 2, they did not simply throw the dead out, Wiesel describes the S.S. Officers telling people to wait for the hospital car, but no mention of the dead.                                                                              |
| "We managed to find the location where it had the place of death. The days resembled the night... The rain rolled slowly across the roof for a few hours and then continued. We remained lying on the floor for days and nights one on top of the other, never offering a word." (Wiesel 100) | Distinction                               | In Chapter 2, there was no opportunity for food because there was no snow as well as there was no standing room. In Chapter 2, people were talking along with other activities as well as Mrs. Schachter's screams. It was not quiet for long. |
| "Consequently, we would pass through German towns. Usually early in the morning. German ladies going to work. They would stop and look at us without purpose... The women watched the                                                                                                         | Distinction                               | In Chapter 2, the cattle cars almost seem like a secret from the German people. They moved                                                                                                                                                     |
