Top Grader has been coaching children on the gifted and talented tests for more than three years When we got requests from parents to coach their children on the CogAT we went looking around for practice material on this test While we started with

what was available in the market we quickly realized that we could give these children a much better preparation if we developed quality content on our own So our academicians got on the job After reviewing a lot of study material on CogAT available both online and in print we found that there is a void when it comes to high quality structured and relevant content for the CogAT test This book is an attempt to fill that void every question in this book has been carefully developed to provide children with the most appropriate content for practice What s even better is that all the questions in this book are in full color something that is essential to simulate the real CogAT test experience but is hard to find in the current marketplace Although we cannot guarantee that the content of this book will help every child ace the CogAT we do assure you based on our experience coaching prospective CogAT test takers that if a child solved all the problems available in the two practice tests in this book his or her chances of getting a high score will improve greatly If you feel your child needs personal attention and hand holding to prepare for the CogAT we encourage you to take advantage of our one on one online tutoring for the CogAT test at [www top grader com](http://www.topgrader.com) The Top Grader team wishes you and or your child best of luck for the CogAT test We value your feedback to help us improve our products and services hence if you have any questions comments or suggestions please do not hesitate to reach out to us at [feedback top grader com](mailto:feedback@topgrader.com) 2 Practice Tests for the CogAT ...
