Axioms Bill Hybels, 2012 Winning leaders have winning points of view succinct practical portable leadership proverbs that help them arbitrate decisions and rouse troops to action In Axiom Bill Hybels reveals eighty God given from the gut truths that continue to raise his game and his vision thirty plus years into his local church leadership experience **Leadership Secrets from the Proverbs** Robert A. Yost, 2013-07-26 The book of Proverbs is a cornucopia of practical wisdom on a variety of topics The insights and truths covered in this book of ancient Hebrew Wisdom literature run the gamut including the nature of true wisdom and understanding vices and virtues relationships and roles priorities planning for the future how to communicate and how to manage one's resources In recent decades the book of Proverbs has increasingly become the focus of attention for Christians who wish to live lives more in tune with God's principles In particular Christian thinkers have begun to correlate biblical principles with the study of effective leadership Yost examines the subject of godly leadership by using the book of Proverbs as his springboard This is a scholarly yet deeply devotional study of the leader's priorities the leader's plans and the leader's speech Once you have read this book you will never look at the book of Proverbs or the subject of leadership the same way again **Clear Focus** Stephen G. Reel, 2015-06-30 Clear Focus is primarily for Christian school educators but I believe this is a must read for every single Christian I was both convicted and challenged in my everyday walk with the Lord Dr Glen Schultz Author of Kingdom Education helps us to refocus on who so that the tyranny of what does not rob us of the joy of ministry This is a must read for anyone ministering in Christian schooling Dr Daniel Egeler President of the Association of Christian Schools International Clear Focus encourages and equips Christian educators to

regain vision purpose and fulfillment in ministry With a passion for discipleship Stephen shares rich insights through compelling stories and biblical applications He also draws on his experience from two tours of duty in the United States Marine Corps In a world full of distractions maintaining focus can be difficult if not impossible When we focus intently on who we begin to escape the tyranny of what which steals the joy from our lives and service Jesus perfectly modeled this for us Follow Him through any day of His ministry and you will see His focus is always on a who Ours should be too The Three C's Mark A. Stone,2013-12-18 The Three Cs provide you with a primer on how to build enhance and protect your career This primer is the product of what the author learned and what has been shared with hundreds of individuals on a one on one basis in recent years This plan of action characterizing connecting and communicating is not the best plan It is not the only plan It is just a proven plan **Permission to Grieve** Toby D. Castle,2024-07-22 Being a follower of Jesus in the evangelical community in America is equated to a posture practice and pursuit of triumphalism Followers of Jesus have misunderstood maybe even lost the great value of public and private lament Lament is incongruent with a theology of continual and ongoing triumphalism Yet suffering loss and lament permeate Scripture and the human experience To lament is to cry out to God with our doubts and to bring complaints against God It is a posture and practice of worship and surrender that helps followers of Jesus wrestle engage process and understand loss creating a sacred space for the suffering voice to speak Lament is a practice absent in the church that is recognized and understood as a way of naming grief and suffering of standing and hoping in the midst of ruins In the context of San Francisco the practice and theology of lament in the lives of those who follow Jesus becomes a parody of cultured syllogisms and hyper vanquishing that forms a community frail to moments of liminality anxious in seasons of uncertainty and ill equipped to deal with the obscurities of everyday life

Courageous Leadership Bill Hybels,2008-12-09 When the spiritual gift of leadership comes alive in churches everywhere the church will become the hope of the world and a most influential force for good **From Ordinary Woman to Spiritual Leader** Kay Daigle,2012-09 Although you may see yourself as merely one among millions of Christian women God has great plans for you to leave an eternal impression on others He has created and called you to spiritually influence those around you your children friends family co workers and neighbors This practical guide will help you grow in the six fundamentals of spiritual leadership and encourage you on your own journey from ordinary woman to spiritual leader I not only recommend this book I know I will be using it as I minister to women Dr Beverly Hislop author of *Shepherding a Woman's Heart* and *Shepherding Women in Pain* Kay's own experience and the stories of women that are included illustrate how powerful these truths are and how crucial they are for women who truly desire to serve God in an extraordinary way Susie Hawkins author of *From One Ministry Wife to Another* **The Leader's Palette** Ralph E. Enlow Jr.,2013-02-08 No Not another book on leadership That was my first reaction as I received the manuscript of this book Upon careful reading I came to realize that Dr Enlow has artistically captured the essence of leading by influence and has presented it in a clear and colorful way As a

veteran leader Dr Enlow speaks from vast experience but it is not merely subjective anecdotal experience The book is firmly rooted in serious and current research As I meet leaders from all over the globe I am no longer hesitant what to recommend them to read Riad Kassis director of Langham Scholars Ministry international director of the International Council for Evangelical Theological Education This book under promises and over delivers with a powerful palette of leadership wisdom But drop everything right now and read the warning in the last chapter on doxological leadership I am recommending this book to all my clients and I will likely reread this gem once a year Its that important John Pearson consultant www.johnpearsonassociates.com and author of *Mastering the Management Buckets* **The Self-Aware Leader** Terry Linhart, 2017-03-14 You've studied everything you think you need to know before entering a career in ministry But how well do you know yourself Serving as a pastor is tough but it can be fulfilling and rewarding if you take the time to examine both your gifts and vulnerabilities The church needs leaders who have the clear eyed courage to pursue the hard journey of self examination Replenish Lance Witt, 2011-06-01 Every leader functions on two stages the front stage or public world and the back stage or private world One cannot lead successfully front stage when one is completely depleted back stage In a time when pastors are leaving the ministry in record numbers due to cynicism disillusionment weariness and personal scandals there is an urgent need for soul care in the private lives of leaders Replenish helps leaders focus on the back stage the interior life in order to remain spiritually healthy In a caring encouraging tone it will show pastors how to prioritize matters of the soul develop healthy spiritual practices address problems that lead to burnout create a healthy rhythm in their lives improve their people skills and the spiritual climate of their team develop better systems in their churches discover how to lead an unhurried life For the many ministry leaders who feel alone in over their heads or simply worn out this book will offer welcome relief and a healthy way forward *Dancing with Cinderella* Jeff Harlow, 2017-11-24 Any vision that underestimates the importance of leadership transition is incomplete After all God's purposes have longer shelf lives than His leaders Dancing with Cinderella outlines several core principles drawn from Jeff Harlow's leadership transition as the senior pastor of a church of over 3000 members It serves to help other leaders navigate the organizational relational and emotional details of a leadership transition without losing momentum It doesn't matter if you're the leader of a small or large church old or plant church traditional or contemporary church obscure or iconic church an unhealthy leadership transition hurts people and cripples mission Jeff's story will help leaders teams and the members of a church think through the principles of transition as they prepare for the exit of a current pastor and the entrance of their new leader This book addresses many of the questions that a transition raises Why are transitions so hard What is really at the heart of the transition How do the objectives of a leader change after the transition starts How do departing leaders define future boundaries In these pages you can discover how to do transition right so you don't have to figure out why it went wrong Vision, Mental Imagery and the Christian Life Zoltán Dörnyei, 2019-07-03 This book uniquely explores how the notion of vision is presented in modern

science and the Bible and how it can be applied to contemporary Christian contexts The word vision our ability to see has been described by an increasing body of scholarship in the social sciences as our capacity for mental imagery and imagination As such this unique cognitive capability has been utilised in many fields for a variety of purposes from arts and psychotherapy to politics and business management and even for performance enhancement in sports The current book argues that a better understanding of vision can have far reaching practical implications for Christian life and ministry by helping people to align themselves with God s specific purposes After a theoretical overview that integrates scientific and theological insights the final chapters present a variety of strategies that can help believers to discern God s call through the use of mental imagery and then to develop and cultivate the perceived vision The book examines the scientific and biblical principles of vision in a comprehensive manner with a special emphasis on the practical implications of the issue As such it will be of great interest to scholars of Theology Biblical Studies and Church Growth Leadership as well as Organisational Behaviour Business Management and Psychology

A Church Called Tov Scot McKnight, Laura Barringer, 2020-10-06 Scot and Laura do an amazing job of teaching us what a good church looks like Beth Moore What is the way forward for the church Tragically in recent years Christians have gotten used to revelations of abuses of many kinds in our most respected churches from Willow Creek to Harvest from Southern Baptist pastors to Sovereign Grace churches Respected author and theologian Scot McKnight and former Willow Creek member Laura Barringer wrote this book to paint a pathway forward for the church We need a better way The sad truth is that churches of all shapes and sizes are susceptible to abuses of power sexual abuse and spiritual abuse Abuses occur most frequently when Christians neglect to create a culture that resists abuse and promotes healing safety for victims and spiritual growth How do we keep these devastating events from repeating themselves We need a map to get us from where we are today to where we ought to be as the body of Christ That map is in a mysterious and beautiful little Hebrew word in Scripture that we translate good the word tov In this book McKnight and Barringer explore The concept of tov and how it can help Christians and churches fulfill their true calling as imitators of Jesus How to identify toxic patterns and the warning signs of abuse within church leadership and their congregations A path toward creating a safe and healthy community marked by justice truth and grace *A Church Called Tov* helps us move forward together and reminds us church can be a place of goodness and healing

Be Mean About the Vision Shawn Lovejoy, 2016-04-19 Almost every organization has a vision Few ever accomplish it Even after short term success in it fewer stay true to it over time *Be Mean Relentlessly* Protecting the Vision is about regaining or sustaining the trajectory of the vision over time It s about staying true to the vision Lovejoy explains that this requires understanding the importance of vision developing a vision we re willing to

die for and keeping the vision from being compromised or even hijacked Though many books have been written on the subject of developing mission or vision statements there have been few written on how to sustain or protect the vision over time Shawn has dealt with hundreds of leaders in ministry and has seen countless struggle with keeping everyone on board with the mission and how to align the rest of the organization with the vision Shawn Lovejoy walks the church leader through the experiences that have taught him to Be Mean and shows us a strategy of Relentlessly Protecting the Vision **Rebuilt** Michael White,Tom Corcoran,2012-02-28 Drawing on the wisdom gleaned from thriving mega churches and innovative business leaders while anchoring their vision in the Eucharistic center of Catholic faith Fr Michael White and lay associate Tom Corcoran present the compelling and inspiring story to how they brought their parish back to life Rebuilt Awakening the Faithful Reaching the Lost and Making Church Matter is a story of stopping everything and changing focus When their parish reached a breaking point White and Corcoran asked themselves how they could make the Church matter to Catholics and they realized the answer was at the heart of the Gospel Their faithful response not only tripled their weekend mass attendance but also yielded increased giving flourishing ministries and a vibrant solidly Catholic spiritual revival White and Corcoran invite all Catholic leaders to share the vision borrow their strategies and rebuild their own parishes They offer a wealth of guidance for anyone with the courage to hear them The Tortoise Usually Wins Brian Harris,2013-04-05 The Tortoise Usually Wins is a delightful exploration of the theory of quiet leadership Written for reluctant leaders it interacts with three key biblical images of leadership the leader as servant shepherd and steward and links them with some of the key virtues of quiet leadership modesty restraint tenacity interdependence and other centeredness Exploding the myth that the good is the enemy of the best it argues that the reverse is more often true with images of unattainable perfection crippling competent people from getting on with the task of doing genuinely good things The book strips leadership of some of its mystique arguing that the bulk of leadership is about helping groups decide the right things to do and then getting on and doing them in an atmosphere that brings the best out of others Brian Harris is the principal of a highly regarded theological seminary and also pastors a thriving local church so the book carries the wisdom of both professor and pastor satisfying the reader both intellectually and practically These insights are supplemented by interviews with significant quiet leaders from around the world ensuring a rich feast for prospective and current reluctant leaders Books on leadership are today two a penny Just occasionally however one of these books might stand head and shoulders above most of the others and to my delight The Tortoise Usually Wins falls into that category Furthermore so many books on leadership are written for natural leaders whereas as the author makes clear most churches are led by quiet leaders who know they are not great but nonetheless are tenacious and committed to the task and willing to work co operatively with others to achieve it I can see many church leaders benefitting from this book I warmly commend this unusual book Paul Beasley Murray Senior Minister Central Baptist Church Chelmsford Chair of Ministry Today UK **High-Impact Teams** Lance Witt,2018-07-31 No matter

how big an organization we all do ministry with a team whether paid or volunteer Anyone who has been part of a great team knows it s something special When there is good chemistry everyone is operating from their sweet spot the objectives are clear and kingdom progress is being made it is incredibly fulfilling and fun On the flip side we re painfully aware what happens when there is dysfunction in the team stress tension politics and posturing It s not much fun for anyone and we end up squandering our divine assignment Lance Witt founder of Replenish ministries and a former executive and teaching pastor at Saddleback Church knows what it takes to keep teams functioning at the highest level of impact He shows leaders how to build next level teams that are spiritually emotionally and relationally healthy and productive and high performing Short to the point chapters make the book easy to digest and the perfect resource for your team to read through together
