Backlash Sarah Darer Littman, 2015-04-28 In critically acclaimed author Sarah Darer Littman's gripping new novel what happens online doesn't always stay online. Lara just got told off on Facebook. She thought that Christian liked her that he was finally going to ask her to his school's homecoming dance. It's been a long time since Lara's felt this bad. This depressed. She's worked really hard since starting high school to be happy and make new friends. Bree used to be BFFs with overweight depressed Lara in middle school but constantly listening to Lara's problems got to be too much. Bree's secretly glad that Christian's pointed out Lara's flaws to the world. Lara's not nearly as great as everyone thinks. After weeks of talking online Lara thought she knew Christian so what's with this sudden change. And where does he get off saying horrible things on her wall. Even worse are they true. But no one realized just how far Christian's harsh comments would push Lara. Not even Bree. As online life collides with real life the truth starts to come together and the backlash is even more devastating than anyone could have imagined.

Deepfake Sarah Darer Littman, 2020-10-06 What happens when anyone can make a video of you saying anything. Dara Simons and Will Halpern have everything they've ever wanted. They are the rulers of Greenpoint High's geekdom, overachieving in every way and it's an intense competition to see who will be valedictorian. One the entire school is invested in. That is until Rumor Has It, the anonymous gossip site posts a video of Dara accusing Will of paying someone to take the SAT for him. When the video goes viral suddenly Will's being investigated and everyone's wondering how he pulled off cheating on the SAT. But Dara swears that she didn't say any of those things which seems a little hard to believe since it's her in the video. Did Will cheat? Is it Dara saying he did? Who's lying and who's telling the truth? The answer is more shocking than anyone realizes.
