Teaching Secondary English Mark Pike, 2003-10-30

What the book does extremely well is to describe the way things are in terms of the requirements of the Framework for Teaching English, the curriculum, and the new specifications, and for this reason it is likely to be most useful to those contemplating English tech9ng in the maintained sector from outside returnees, aspiring NQTs, or those in the independent sector.

Times Educational Supplement

Instead of taking us yet again on a tour through the four modalities of English, this book's tripartite structure takes a refreshingly different approach by offering thought-provoking argument grounded in classroom practicality.
