You'll Win Nothing With Kids Jim White, 2010-10-07 On Sunday mornings Jim White has the following choice visit the supermarket buy trolleys at B&Q or stand on the sidelines of a muddy municipal football pitch his trouser cuffs wetter than a weekend in Llandudno shoulder to shoulder with a motley crew of mums dads step parents and same sex life partners all screaming at their beleaguered offspring You'll find Jim in the same place every week failing to organise a bunch of lads into something resembling a team while on the far side of the park his opposite number a wannabe Mourinho in brashly monogrammed tracksuit struts the sidelines shouting always shouting This is the hilarious story of Jim White's time as manager of his son's football team the highs the lows and the dog turd in the centre circle At this level winning spirit is not so much about passion pride and belief as praying that your star centre forward has remembered his boots Most importantly it's about the enduring relationship between fathers sons and football This is the story no one who has ever watched his or her child play sport will want to miss

A Four Dimensional Approach to Developing Youth Players to Gain Elite Status Philip Phillipou, 2019-06-27 Master's Thesis from the year 2017 in the subject Sport Kinematics and Training Theory grade 9.0/10.0 Universidad Europea de Madrid Escuela Universitaria Real Madrid course Master in Talent Identification and Development in Soccer language English abstract This paper will demonstrate a long term athlete development programme based on a four dimensional approach tactical technical physical and psycho-social A one dimensional approach in isolation would be unrealistic and detrimental to football development The modern game is rich in intensity is multi skilled a contact sport and requires a quick thought process Therefore a four dimensional approach will be used to combat these main pillars The information will be based upon a situation of an Academy Manager to develop elite players for the first team The goal will be to develop at least 3 youth players for the first team every 2 seasons The club which this paper is based on will follow the philosophy of developing players for the first team as opposed to a club that is willing to spend money on players who are already

established or buying already talented young players from other clubs rather than developing their own Extensive research will be taken from books academic papers lectures my own experiences and other reliable sources to gain maximal knowledge Furthermore each age group will be thoroughly discussed by analysing the potential benefits and fragilities of each age group and also looking on how best to deal with these issues to obtain the maximal potential of each player Finally the curriculum advances in an age appropriate manner to show a clear progression through the age groups into adulthood

Coaching Soccer Like Guardiola and Mourinho Timo Jankowski,2016-08-29 A soccer player is more than the sum of his parts endurance speed shooting technique passing technique and many more All of these factors need to be turned into one system to create good players Traditional training theory doesn t achieve that because each skill is trained individually This is why the concept of Tactical Periodization has become the preferred training theory for many of the current most successful soccer coaches Pep Guardiola Jos Mourinho Diego Simeone Andr Villas Boas and many others train according to these principles By creating match like situations in practice players learn to link their technical tactical and athletic abilities to match intelligence They will learn to transfer their skills to soccer matches and they can improve endurance technique and tactics all at the same time while enjoying the practice sessions more For this book the author has evaluated and analyzed hundreds of training sessions and has tailored exercises to specific demands All exercises are performed with a ball so that players learn to apply each skill to the game Every coach will find numerous exercises in this book to help them create better and more efficient practice sessions so they can improve their players and the team s performance With Tactical
