Mastering the Samurai Sword Cary Nemeroff,2014-09-02 Memorialized in countless books and movies the history of

Japan's fearsome samurai warriors is known all over the world. Who can forget these Japanese masters' skills with the sword? Today samurai warriors no longer exist, but their legacy of swordsmanship endures. Now the way of the samurai sword is learned in the martial arts Iaijutsu and Kenjutsu. This book is the perfect introduction to using this beautiful and ancient weapon. In *Mastering the Samurai Sword*, you'll learn the sword's fascinating history, its evolution, and the philosophy behind its use. You'll also learn practical guidance for mastering the sword itself. Full-color step-by-step photographs detail many of the most useful and famous samurai moves, including drawing the samurai sword, guard positions, cutting blows, and blocking, falling, and rolling techniques, and evasive strategies, standing forms, and kneeling forms. All of the martial arts techniques discussed in the book are performed for readers in the downloadable material to help you perfect your form. Beginners will learn everything from proper attire and behavior in the dojo to how they might practice at home, while more experienced samurai sword people will find a new appreciation for the deeper meaning and tradition behind the graceful way of the sword.
